

CLEVE AREA SCHOOL NEWSLETTER

1st June, 2016

Term 2, Week 5

HELLO EVERYONE

We are now well and truly into term 2. Over the past 2 weeks I have been meeting with all the Year 11 and 12 students on an individual basis and asking them the following questions:

How are you going so far this year?

What is your main goal/aim for this year?

Are you up to date with all your work?

What help do you feel you need from your teachers/leaders?

Are you using your study lines and homework time effectively and efficiently?

What can you tell me about our improvement journey over the past few years?

Let's project this meeting into next year. What advice would you give yourself about the way you are engaging in your school work and your attitude towards school?

What advice can you give me as the principal so that I can help students and staff with our improvement journey?

Is there anything else you want to or need to share with me?

So far I can reveal that I am getting mature, positive and honest responses that I will share with staff in order to help us to further improve our educational service to our students and the community.

So far this term we have had quite a few staff experiencing colds and flu symptoms. One staff member, who works with us 2 days a week and teaches Technical Studies has had a sports injury and will be away all term. We have managed to find a relief teacher who is qualified to teach Tech. Studies and will be in our school tomorrow.

Next week our partnership will be involved in a performance review and as I have been elected the chairperson, I have the responsibility and privilege of leading some of our presentation to the review panel in Port Lincoln. The review enables us as a group of leaders of schools and kindergartens to look at the data across the partnership and discuss the successful strategies. It also provides a forum for us to share ideas, programs and resources that are useful in helping to improve student educational outcomes.

At a recent staff meeting we discussed the issue of inappropriate language and in particular swearing in the yard and in the classroom. As a staff we have talked about being positive role models and we will be monitoring ourselves and students especially with the use of swear words. I ask you as parents to have a discussion with your children about the use of inappropriate language and swearing. Our Crew values of CARE and RESPECT deal with this issue. If we care and respect ourselves and others we do not swear at or in their presence. I thank you in anticipation of your full support in this important matter.

Over the next few weeks I want the school to focus on punctuality. We ask all teachers and parents, especially those of secondary students to talk to their children about the importance of being punctual. We want students to be on time at school and attending lessons on time. The research tells us that habits that are developed during the schooling years will be long lasting. Thus it would seem logical that if we develop positive behaviours, attitudes and ethics towards school and work, we will have positive citizens in the future. At CAS we want to have a positive partnership with parents.

Thank you,

Ray Marino, Principal

PROCEEDS FROM WOOL SALE DONATED TO RFDS & SIMS FARM

Cleve Area School agriculture course students recently handed a donation to the Cleve fundraising branch of the Royal Flying Doctor Service.

The money was generated via the sale of fleeces entered in this year's wool competition at the Cleve Show.

A condition of entry to the competition is that all fleeces are donated and sale proceeds of fleeces are equally divided between the RFDS and Sims Farm. Convenor, Aleks Suljagic, said that both organizations

were pleased to accept their cheques and extended their thanks to the growers who supported the wool competition and the Cleve AH & F Society which hosted the event.

Woolgrowers! Be sure to retain that outstanding fleece which "literally jumps off the wool table" for entry to next year's Cleve Show!

SUBJECT SELECTIONS

Students will shortly be confirming and or altering their subject choices for the Senior School Time Table for semester 2. This will be in consultation with leadership, so that they may ensure the students are being given the best options, and that classes have the student capacity to run. Students may choose from subjects offered face to face at Cleve Area School, or may consider subjects delivered from external sources such as Local Delivery from other sites, or Open Access. If you have any questions about this process or wish for more information, please don't hesitate to get in contact with our staff. Thankyou, Shannon Napier, Learning Technologies Coordinator.

YEAR 11 BUSINESS AND ENTERPRISE

For our Year 11 Business and Enterprise small business practical we ran a yiros stand at the Cleve show. We set up a business plan and set individual and business goals to help us run an effective business. We studied multiple aspects of running a business including: financial considerations, marketing, SWAT analysis, advertising, supply and manufacturing processes. We worked as a group to contact various local businesses about supplying produce for our stand. Throughout the planning and practical we had to collaborate as a team to run a successful business. Our business made a total profit of \$781 which will go towards the school and community pool. The year 11 students involved in the business and enterprise practical were: Austin Priest, Jonathan Forrest, Matthew Smart and Alesha Hannemann. Due to having a very small class we asked for help and the following people volunteered: Harley Summers, Sophie Briese, Shenae Primer, Karma Resmini, Rachelle Hannemann, Kane Goldsworthy-Speirs and Adam Schmidt. The staff who helped organise the planning, set up and running of the practical were Annie Richter and Jock Duncan.

The Cleve Swimming pool committee would sincerely like to thank the fantastic work and professional dedication of the Year 11 students and Annie Richter in this vital fundraiser for the pool. This money will go towards the purchase of a new pool cover and the upgrade of the pool facilities over the past 12 months. The general community and school are grateful of this donation & congratulate them on their success.

LOWER EP SPORTS EXCHANGE

Well done to Mr Byrnes for another well organised sports event for our students.

Students enjoyed good healthy competition in excellent weather conditions.

Our footballers finished the day with 3 wins.

Year 12 netballers warmed up towards the end of the day to win their last game.

Year 10/11 netballers had an outstanding day, playing good competitive netball to win all but one match.

Year 8/9 netball team won half their matches!!

Year 9 netball team were our most successful, they were undefeated through the minor round to unfortunately miss out by 5 goals in the grandfinal to St Joseph's school.

Many thanks to coaches:

Mr Byrnes, Fiona Evans, Emma Grosser, Abbie Kwaterski, Bronwyn Smith and Tina Rosenzweig.

Well done and our sincere appreciation to Mr McDonough, Angela Harris, Trish Siviour, Julie Burton, Megan Grosser and Lisa Traeger for umpiring all day.

Well done to all participants for their sportsmanship.

LOST PROPERTY

Lost property is overflowing! Please come and check if some of it belongs to your child/ren before it goes to the Op Shop.

Miss Every's class are currently preparing 4 garden beds for winter vegetable planting. Thanks to Parents and Friends for the donation of the fantastic garden beds.

Miss Nelligan's Year 2/3 students spent a very creative lesson making hats with newspaper.

Year 10 and 11 students working at the Business and Enterprise Yiros stand at the Cleve Show.

RFDS fundraiser Chris Bammann receiving the donation from Year 11 Agriculture students

APPLY NOW.

Be a mighty mascot Crow.

Are you or your child a member of a Sporting Community? Is your child a footy fan and would love the chance to run out onto the oval with the Crows? Then this is their chance!

We're looking for kids aged between 5 - 12 years to kit up in Crows colours and run out onto the field with the Pride of South Australia!

To enter all you need to do is drop into the Tumbly Bay District branch for a no obligation appointment to discuss your banking needs.

Contact the Tumbly Bay District branch: 86882046
7 North Terrace, Tumbly Bay SA 5061

Applications close - Thursday 9th June 2016
