Term 2 Week 1 29th April 2020

Hello Everyone,

and welcome to term 2. I trust you have had a restful, enjoyable term break and that you have been able to keep yourselves safe.

We have had a very smooth start to this term. Staff have worked extremely hard to prepare for the challenges ahead. Over 80% of our student population has returned and we are currently ascertaining how many families have decided to take up the option of online learning.

In order to support students, who are learning from home and staff who will be delivering the curriculum, I have established an **Online Learning Support Team**. The main focus of this team will be to support students, parents and staff, as we navigate through the next few weeks of online learning.

The team will provide support in the following ways:

- Daily/weekly contact with family/student who are learning from home.
- Liaison between student/family and teachers of the children.
- Setting up of appointments/Video/Teleconference that may be needed for the teacher to deliver the curriculum.
- Offer admin and clerical support to staff members
- Offer support in the making of resources etc as needed to deliver the online curriculum.
- Release teachers to contact students who are learning from home.

This team has already started by contacting families and students to find out if the students, who have not yet attended, are taking the online learning option. If you would like more information about operation of this team please contact me at school.

At this stage I am not certain how long this team will need to be in action, however I am guessing for at least a few weeks. This is a work in progress so we will keep developing the work of this team as we get further into the term and find out other needs that students, parents and staff require.

There has been **minimal staffing changes** for term 2. I thank Mr Solly for completing a contract while Mr Suljagic was on leave and I welcome back Mr. Suljagic. I was unable to find a Tech. Studies teacher to replace Mr. Overton and thus I have asked Mr. McColl, a Statewide Permanent Relieving Teacher, to continue in this role this term. We will readvertise the position later this term.

Helen Heron will be on leave for this term and so Fiona Ward has agreed to help us by working in the role of Admin/Finance Officer.

As a result of all the COVID-19 restrictions we have been unable to have our SRC induction assembly. The SRC will meet this week to look creative ways that we can present our SRC members with badges. One idea we have discussed with the coordinating staff is to have a virtual assembly using video conferencing technology. We will keep you informed.

From time to time people experience a diverse range of issues. I have really appreciated community members contacting me and the leadership team to discuss their issues and concerns. This enables us to deal with the issues and help us maintain positive relationships we have built up over the past years. I thank you for your continued support of our great school.

The School Governing Council will meet on Tuesday 12th May at 5.30pm. The meeting is usually held in the school staffroom, however due to the current social isolation measures we will set up a video conference meeting using the Zoom technology. If you have any agenda items or issues relating to school gov-

School Governing Council
Tuesday 12th May at 5.30pm.

ernance that you would like council to discuss, please contact me so I can arrange to have these included on the agenda, time permitting. Parents can attend school council meetings as observers so, if you are interested, please let me know of your intention to attend the meeting and we can include you on the video conference list. We will need your email so please send this to me.

I thank you for your continued support and look forward to working with you this term.

*Ray Marino
Principal*

Deputy News

Here we go again. After an extended break for the students we back into our learning, whether that be in the classroom at school or studying from home. It certainly was different during the holidays having to prepare to return but not really knowing for which style of teaching and learning we were getting ready for. The teachers have certainly been prepping for all scenarios as has the school been planning to support all students, whether they are back learning in the classroom or still needing to isolate at home. As Ray mentioned we should have everything running more smoothly by Monday of next week, with the support of the OLST, and I'm sure that we will be experts in no time!

A big thankyou to all students and staff for continuing to be vigilant with their hygiene practices, to ensure that we continue to work together to keep everyone well. It is certainly on our minds at the moment to keep everyone as safe as possible in our school and wider community. Also, a thanks to the parents who have continued the practice of dropping students off at the gate and waiting for them in the afternoons.

Remember if you need to get in contact with anyone at the school please phone in the first instance or if absolutely necessary come to the front office. We want to continue to ensure that we have the least amount of people on the school grounds as possible.

Remember as always, if there is anything which we can help you with to support your child or children's learning please contact your class teacher in the first instance or message Ray or myself via Dojo or email.

Looking forward to an exciting term.

Trevor McDonough, Deputy Principal

CLEVE AREA SCHOOL YEAR 4-12 SPORTS DAY

After coming down to the final event of the day last year, who would've thought we'd have a repeat this year! Only this time the tables were reversed with Kahibah finishing up the narrow winners over Nurrugy. Cooranga and Killara Houses had a great battle for the minor placings with the result only decided late in the day as well.

Kahibah House began the day narrowly in front after performing well both at the Trials and Practices and in the 1500m races but as the day progressed Nurrugy closed the gap so that were narrow leaders going into the team events. Kahibah House performed exceptionally well in the Football Relays to build a handy lead only to see Nurrugy House fight back in the Circle Gap events. The lead changed several more times before Kahibah House managed to record a narrow victory and experience some joy after losing the senior shields last year by only 1 and 3 points! All Houses performed strongly at times but it was Nurrugy and Kahibah Houses' greater depth in the team events which saw them break away. However, Killara and Cooranga who were never too far off the pace and kept the pressure on to the very end. Kahibah's victory means each of the four houses has won the shield in the last 5 years – great to see it being shared around!

Congratulations to Kahibah House on an excellent team effort throughout the lead up to and on Sports Day to also emerge victorious in the Team Spirit Award.

Thank you to Parents and Friends for the donation of trophies and organising cakes/tea/coffee, the Year 9 Canberra Trip fundraising committee for lunch, the SRC for the donation of place ribbons and providing drinks, staff and parent officials and house captains and vice captains, for ensuring the day ran smoothly and successfully. It was great to see many parents, relatives and friends on the day and I thank them for their support. I would like to give a special thanks to Nat Roberts for her assistance with organising parent helpers.

A special thanks to Kelly Richardson for opening the day, Kerry Smith and Jock Duncan for the time they put in to organising the oval (which was fantastic!) and facilities and Helen Heron and Jody Bray for their help with administration duties before the day.

Well done to the following individual trophy winners and record breakers on their excellent performances and to everyone who tried hard on the day and participated positively during trials.

Graeme Byrnes, Physical Education Teacher

Final Scores:

Kahibah (Green) – 516
Nurrugy (Gold) - 508
Cooranga (Red) – 407
Killara (Red) - 389

Dear Parent/Caregivers,

Materials and Services charges for 2020 have been set by the Governing Council and are \$315 for R-7 students and \$395 for 8-12 Students. There is an additional subject charge for students enrolling in the Agricultural Course and Wood/Metal subjects. Families with two children will pay two full fees while families with more than two children will pay two full fees, with a 15% discount on fees for the third and subsequent children. Some examples are set out below.

Family One

Two children	Yr 3	315.00
	Yr 9	395.00
		<hr/>
		\$710.00

Family Two

Three children	Yr 4 (-15%)	267.75
	Yr 7	315.00
	Yr 10	395.00
		<hr/>
		\$977.75

Year 10, 11 and 12 Agriculture/Wood & Metal Tech

Year 10, 11 and 12 Certificate in Agriculture students and Wood/Metal Tech Students are also required to pay additional fees to cover the cost of field

trips and an Agricultural Camp as an integral part of their programme.

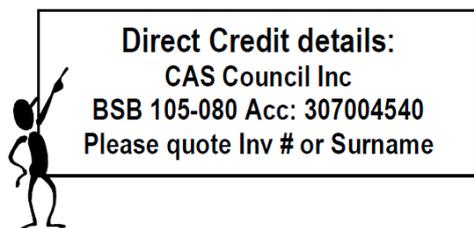

Year 10 - \$50, Year 11 & 12 \$100. There is also an additional cost for the purchasing of extra wood and metal products for student projects throughout the year.

Year 12 Additional Material

Year 12 students will also be required to pay additional fees throughout the year for study guides and essential reference material. This amount will vary between \$20.00 and \$90.00 (approx.) depending on subjects studied.

Newsletter

Newsletters can be posted to parents each week for a fee of \$25.00 per year or emailed free of charge. Please forward mailing details and payment to the school or your email address details.

Why Materials & Services Charges Are Essential

Materials and Services charges together are a very important component of the school budget. They are used to purchase text and reference books, equipment, materials for learning, including stationery. All books and materials issued to students remain the property of the school.

School Card Information

Application forms for School Card with comprehensive instructions on completing them are available from the front office. Please read carefully before completing the application. Applicants not receiving Centrelink benefits have a change in their financial circumstances or are self-employed must not use an ED003A Form. Instead, they are to complete and sign a School Card Application Form ED003B and submit to the School Card section with supporting financial documentation – please drop in or contact the school to have a copy sent home. Below are some of the forms available:

School Card Form A - Income Audit

School Card Form B - Hardship/Change Circumstance/Self-Employed

School Card Form F - Foster/Guardianship

School Card Form Y - Independent Youth - students who receive an independent youth allowance or an independent disability support pension as at 28 February 2014

Please see the website for a full list of forms available

School Card queries, forms and further information

****PLEASE NOTE THAT SCHOOL CARD APPLICATIONS –CAN NOW BE COMPLETED ONLINE.** follow the link below..**
