Term 4, Week 1

Phone: 8628 2104 Fax: 8628 2511 Email: dl.0753.info@schools.sa.edu.au
Address: Second St, Cleve 5640
Community Notices deadline : 11am Tuesday to Jody.Bray267@schools.sa.edu.au

HELLO EVERYONE,

Welcome to term 4. I trust that you all had an enjoyable and restful break. We have a very busy 9 week term ahead of us so I ask all students and staff to be prepared to work as a strong team to achieve successful outcomes for all students.

The Deputy position was advertised last term, applications closed and a panel will commence the merit selection process next week.

Staffing changes for this term include: Andrew Hitch, replacing Jock Duncan who is on sick leave.

We remind everyone that this term the hat policy comes in to play so please ask your children to bring their hats everyday and they must wear them in the yard.

Our Year 12 students will commence final exams and assessments in a few weeks and the official last day of formal lessons for our Year 12 students will be Friday October 30th. The staff will host a breakfast for all Year 12 students before school and then we expect all students to leave without any muck-up day activities. I ask all students to refrain from doing anything that will cause trauma, embarrassment or damage the school environment. We wish all our senior students all the best as they venture into this very busy period of the year.

A number of students have approached me about harvest leave. At Cleve we support students gaining experience in the world of work and thus will look at every request for exemption from school in a positive manner. However before signing off on any form of student leave from school for senior students, we will be requesting that all assignments and assessment pieces will have to be completed at a grade C or better, before leaving school for temporary work. We believe that it is important that all school work is finished in an appropriate and satisfactory manner. I will be checking with all teachers before signing the exemption forms. We want every student to be successful at school. This means that the school work needs to be completed in a careful and diligent manner. If you have any questions or would like any further information please contact me at the school.

Governing Council will meet during week 3 Tuesday October 27th in the staffroom at 5.30pm. In previous years the Governing Council have approved a pupil free day to enable staff to review the School Improvement Plan and make

preparations for next year. This year we will be asking for approval to have the Pupil Free Day either on the Monday December 7th or Friday December 11th during the last week of this term.

I am looking forward to another positive term. I remind students and parents that we expect all Year 12 students to work extremely hard as they only have about 3 weeks before they start final assessments and exams. Year 11's need to be at school till the end of week 6 and Year 10's till the end of the term. All other students are here till the end of week 9.

Have a good term and please follow the CREW values.

Thank you

Ray Marino.

DEPUTY NEWS

Welcome back to Term 4! I hope everyone had a chance to relax, enjoy their family and friends company, or maybe even get away for a while. Hopefully all the students had the opportunity to recharge their batteries and be ready for the final term of the year.

There is plenty happening this term with the first being a performance from Peter Combe on Monday 19th October at 9:45am in the Gym. 'Wash Your Face in Orange Juice' and 'Toffee Apple', just a couple of his songs I remember. Anyone who has young kids who would like to attend are more than welcome. We will have a COVID sign on sheet near the door to be filled in. I hear that there are as many, if not more, adults excited about his visit as there are students!

The first primary assembly for the term will be held on Friday 6th November (Week 4), being hosted by 4/5 Roach. More information will be sent out in the next couple of weeks.

The students would have, or will shortly, bring home some information about Jump Rope for Heart. The students are encouraged to fundraise for the great cause of supporting of 'Heart Health' but it isn't compulsory. All students will be involved in the 'Jump Off' on Friday 13th November (Week 5). Graeme Byrnes coordinates this event for the R-7 students and the 'Jump Off' is always enjoyed with the students rotating through a number of different skipping stations.

The R-7 Primary Concert is going to be held on Friday 20th November (Week 6). This year the theme is 'Christmas'. Teachers and students will be utilising some of their Arts lessons to prepare for this upcoming event. More details will follow as we get closer to the date, about time and place.

Please remember that at any time you have any concerns, issues or ideas, please feel free to contact your child's class teacher, in the first instance, or Ray or myself. We are more than happy to discuss how we can continue to work together to improve our school.

Trevor McDonough, Deputy Principal

**NO HAT,
NO PLAY**

Peter Combe Visit
Monday 19th October
9:45am in the Gym

We are celebrating World Teacher's Day on Friday 30th October. It is a great opportunity for the school to acknowledge our fantastic teaching staff and all the hard work they do for our students!

Year 9

Bushwalking Camp

YOU ARE amazing!

YOU GOT this

At the end of last term we held the JP Sports Day. A BIG THANKS to Kerry for preparing the oval for us. The Year 6 and 7 students did a great job leading groups, running the Tabloid events and helping at the finish line. By far though, the biggest champions for the day were the students. They all did their best for their house and in a popular result (for some), Kahibah won the day, wresting the trophy out of Nurrugy's hands, who had held it for the last few years.

JP Sports Day

Jump Rope for Heart kicks off in the primary school this term!

Jump Rope for Heart is a fantastic physical activity and fundraising program that has been run by the Heart Foundation for over 36 years. It's a great way for your child to keep fit and learn new skills, but it also helps raise funds for vital heart research and education programs.

Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$104 million for the Heart Foundation's lifesaving work. At Cleve we've conducted the program bi-annually for over 30 years with the community raising in the vicinity of \$50 000.

It's important you [register your child online](#), so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started. www.jumprope.org.au/parents [Adding to the excitement, Cleve has been selected to trial a new piece of technology where students can use a scannable wristband to link to their Jump Rope for Heart page to make it quick and easy to receive donations. However, students are still able to fundraise the traditional way by collecting cash and recording on a sponsorship form.](#)

Students will be skipping in PE lessons, class fitness and at recess and lunch over the next few weeks. During this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day on Friday 13 November, this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program!

Year 12 Graduation Dinner

Cleve Parents & Friends are seeking donations of the following food for the 2020 year 12 graduation. COVID restrictions have meant the menu is different this year and we require the following to keep the costs to a minimum.

We would greatly appreciate the following

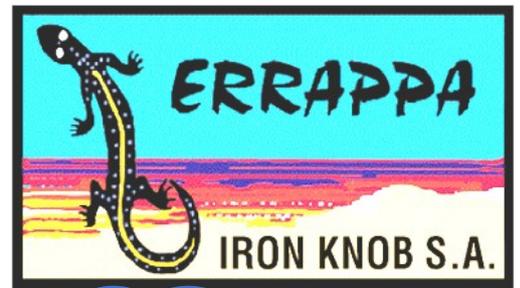

- 6 x Brie cheese
 - 6 x camembert cheese
 - 5 x bags dried apricots
 - 3 x bags almonds
 - 2 x sticks garlic metwurst
 - 3 x jars Always fresh Pimento stuffed olives 450g
 - 3 x boxes Bfinest cranberry and pumpkin seed crisps
 - 3 x boxes Bfinest fig and almond crisps
 - 7 x Jarlsberg 250g cheese wedges
 - 5 x captains table plain crackers
 - 4 x feta 200g
 - 2 x jars pitted black olives
- Monetary donations would also be greatly appreciated

Donations are asked to be dropped off to Cleve Hardware Attention Kelly Richardson.

Year 5 Camp to ERRAPPA

On Tuesday 8th September the year 5 students, Mrs Ramsey, Miss Roach and Miss Williamson headed off for the annual camp to ERRAPPA. While on camp we participated in a range of different team building activities, high ropes courses and orienteering around Iron Knob. We all had a great time completing tasks that put us outside of our comfort zones.

I enjoyed the zip line and the rock wall!

Jala

I enjoyed everything about camp!

Callan

I enjoyed the zip line and high ropes courses.

Ruby B

My favourite thing was the zip line and the leap of faith!

Rhys

I enjoyed everything about camp!

Brydie

My favourite thing about camp was the zip line!

Harrison

My favourite thing about camp was everything!

Saxan

My favourite thing about camp was everything, but I enjoyed orienteering the most!

Archie

My favourite thing was orienteering!

Anabelle

My favourite thing was everything!

Billie

My favourite thing was the high ropes!

Eloise

I enjoyed getting a chance to get out of my comfort zone and try new things that I might never get to do again!

Rossieanna

My favourite thing was playing the different games in the hall!

Kallam

My favourite thing was the leap of faith!

Cooper

My favourite thing was the zip line!

Jack

My favourite thing was the high ropes and the leap of faith!

Mahni

My favourite thing was the high ropes course!

Axel

My favourite thing was the flying fox!

Dane

My favourite thing was everything, but I really enjoyed the high activities!

Mary

My favourite thing was everything!

Ruby S

My Favourite thing was the leap of faith and the zip line!

Kobi

My favourite thing was the zip line and the high ropes courses!

Marni

PBL HEALTH EDUCATION PROGRAMS

TAKE HOME MESSAGES WEEKS 10 and 1 Term 4

YEARS 6 / 7

Lesson 5: Let's talk puberty

Puberty is a natural part of growing up. The journey of going through puberty is unique for everyone. It is important for me to develop confidence about my body and its development by having accurate knowledge and a safe place to talk and ask questions.

Lesson 6: Conception (KS: CPC)

The male and female reproductive systems consist of a series of parts that work together. One of their functions is to produce the male and female sex cells (sperm and eggs) and enable reproduction to occur. For most people, the reproductive system becomes mature during puberty. By knowing the names and functions of the parts that make up the reproductive systems, I am better able to understand and care for my body and reproductive health.

YEARS 8 / 9

Lesson 5: What's in the bag? (KS: CPC)

The male and female reproductive systems consist of a series of parts that work together. One of their functions is to produce the male and female sex cells (sperm and eggs) and enable sexual reproduction to occur. The reproductive systems become mature during puberty. Knowing how the reproductive systems work is an important aspect to sexual health. It enables me to understand how and why males ejaculate and some have wet dreams and why females menstruate and how pregnancy occurs.

Lesson 6: Sexual Harassment (KS: CPC)

Sexual harassment is quite common. Sexual harassment is against the law. Education about sexual harassment is important because it can be very harmful yet many people do not recognise it or know where they can go for help.

YEARS 10 /11 / 12

Lesson 5: Impact of social media (KS: CPC)

Every day young people are bombarded with images on social media. Many take it all in not even thinking about the underlying messages being portrayed and the impact that these images may have. I need to develop the skills to critically analyse images of social media, determine how genuine they are and to identify any potential harm. I need to be confident enough to be myself and not be harmfully influenced.

Lesson 6: Diversity of sexual attraction

Some people are discriminated against or harassed because they are perceived to be different. Sometimes people's attitudes are influenced by myths that are incorrect. The issue for many gay and lesbian people is the discrimination they experience, not who they are attracted to. Rejection by family, friends and society causes pain. Everyone can contribute in some way to reduce homophobia.

Presentation Morning Assembly

This assembly is on Friday 27th November, 2020 commencing at 9:20am in the school gymnasium. Parents, community members and friends are invited to join us as we celebrate the achievements of students and supporters of Cleve Area School in 2020. You are also invited to submit nominations in many of the award categories presented at this assembly. These are:

Peter Treloar Citizenship Award -Student

Sponsored by Peter Treloar MP Member for Flinders and presented to a senior student who has demonstrated outstanding citizenship qualities by involvement in a wide range of school related activities both within the confines of the school and wider school community. Selection Criteria—This award shall be presented annually to a senior student at Cleve Area School who best: brings credit to themselves and the school by their actions both within and outside the school community and who shows leadership qualities and is a good role model to other students. Please return nominations to the front office by Wednesday 21st October.

Rowan Ramsey MP School Community Award - Adult

This award is an acknowledgment of ten consecutive years of service to a recognised parent body (i.e. Governing Council, Parents and Friends, Volunteers etc.) or outstanding and exceptional service to the school. Please return nominations to the front office by Wednesday 21st October.

H. D. Forgie Memorial Arts/Technology Award-Student

This award is presented to a student in recognition of outstanding achievement in one or more areas of the Arts/Technology in the school and in the wider community. The selection criteria are achievements in examination results from school subjects and non-school subjects and leadership and enthusiasm for an area of Arts/Technology. The award is made to students from any level in the school. Please return nominations to the front office by Wednesday 21st October.

Caltex All Rounder Award- Student

This award is presented by Caltex with the objective of lending encouragement to "all round" students in their final year at school. It is not intended to recognise the champion with a speciality in a particular area that already receives acclaim. Rather it is intended for someone who participates in a wide range of school activities. Please return nominations to the front office by Wednesday 21st October.

Parents and Friends spirit of Resilience Award

This award is presented to a student from Year 6 – 12 who, despite adversity has displayed qualities such as leadership, empathy and CREW values.

It seeks to recognise students who have overcome significant adversity and have used this to encourage and enrich others within the school community. Please return nominations to the front office by Wednesday 21st October.

Attached to this edition of the newsletter is a copy of the form upon which nominations for the awards may be made. The closing date for nominations is 3:10 p.m. on the 21st October. Please also note that parents of students who are receiving a Certificate for Excellence / Studentship at the ceremony will receive a letter in advance. Students who are receiving an Award will receive a letter inviting them to the assembly. This letter will not detail the award, but will alert parents to the fact that one is to be presented.
