## HELLO EVERYONE,

Welcome to the 2021 school year. I trust all our students, staff, parents and friends have had a very enjoyable and restful holiday. Special welcome to all the new students and staff, we wish you all the best for the year and are very pleased to have you as part of the Cleve Area School community.

I welcome all the new students who have enrolled in the Agriculture Course and will live in the boarding house.

I am really looking forward to this year as we have many exciting things planned.

We have a very busy and exciting year ahead of us and we can only succeed if all of us, students staff and parents work as a strong, united team.

I take this opportunity to congratulate the 2020 Year 12 students for their fine achievement and excellent results. We can all be proud of our senior students and the staff who have worked hard to support each student. The SACE results achieved at Cleve Area School are as good as you can expect in any school. I thank the students and parents who continue to support our school by choosing to stay in Cleve to access the high quality education service we are providing for our local community.

I congratulate Trevor McDonough, who won the Deputy Principal role for the next five years. The position was advertised across the state and a rigorous, merit selection process was conducted to find the person with the skills, knowledge and experience to best meet the needs of our school.

This year, Rowena Fox, our Education Director and the Governing Council will advertise the Principal role for five years commencing in 2022.

I wish every member of the Cleve School community, students, staff, parents/caregivers all the best as we take on and deal with, all the challenges that 2021 will offer.

We had a very smooth start to this year. At the assembly this morning, we introduced our Year 12 students, the new Reception students, new staff and students new to our school. I also talked about our CREW values. I believe the scene is set for another successful year so please work with us to ensure that Cleve Area School continues to be, **“ A Great Place to Learn”**.

Please feel free to contact me, Trevor or any member of the Leadership Team, if you would like any further information.

As I enter my eleventh year as Principal of Cleve Area School, I thank you for the support you continue to give me and for choosing Cleve AS for your children's education.

Have a great year.

## DEPUTY NEWS

I would like to welcome everyone new and returning, to the 2021 school year. We have lots of new staff, students and families joining our school. An extra big welcome to the new receptions and their families. I saw quite a few kids this morning getting their photos taken at the front gate. It was also good to see lots of those parents then stay for the assembly where the Year 12's presented the Reception students with their diaries. We look forward to them starting their learning journey with us and hope that they find their time with us rewarding.

A reminder that in Term 1 all students are required to wear a broad brimmed hat when outside. The sun can be quite harsh at this time of the year, so we want to protect our skin as much as possible. The school does have some in the uniform shop for purchase if required. The classrooms also have sunscreen available for the students to put on.

We will continue with the hygiene routines which Covid put in place for us last year. The year really did help remind us of the importance to have good hygiene practices. Please remember to sign in at the front office if you are coming onto the school grounds. There will be a Health SA QR code sign in (when it becomes available) as well as the school sign in. At this time, we are still trying to limit the number of people on site, at the start of the year while we see how the New Year settles in. We will keep you informed of any changes to this as it becomes available to us.

The primary section of the school have already settled into the daily routine and the students all seem very happy to have returned. I wonder if the parents are happy as well!

The primary classes are as follows:

R/1 Jessica Quinn

R/1 Samantha Hunt

2/3 Fiona Millard / Amie-Lee Harris

2/3 Kirsty Elson / Amie-Lee Harris

4/5 Erin Martens

4/5 Bronwyn Smith / Lauren Hannemann (Philippa Grainger on leave in term 1)

6/7 Renee Roach

6/7 Elle Kenny

If you have any queries throughout the year please Dojo, email or phone your class teacher, Ray or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make it better.

Hoping to see you all soon,

*Trevor.*
