

Secondary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing personal mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

For the purpose of this policy, a personal device is defined as:

- A mobile phone,
- A smartwatch,
- A gaming device,
- Or any device with cellular capacity.

Mobile phone use for secondary school students

Our school recognises that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During school hours, Cleve Area School students will not be permitted to use personal devices at any time, unless given specific instructions otherwise from a teacher.

Contact between students while they are at school and their parents/carers should occur through the school office on 8628 2104. Office staff will ensure messages are then communicated to students.

Storage of personal devices

If and when students have to bring mobile phones to school, then the student will need to hand in the device to the front office where the device can be securely stored in a dedicated filing cabinet in the front office area of the school.

If the student does not comply

If a student is discovered using a personal device in school hours it will be taken to the front office and a note sent home to parents.

On the second offence in a term, parents will be asked to collect the device from the front office and not send it to school for the remainder of the term.

Teachers and staff are encouraged to approach this ban in a positive and constructive way, in their interactions with students.

There is no need for conflict - any pushback should be immediately referred to the principal or deputy principal.
