Principal News

Thanks to Mr Byrnes and his band of helpers for organising the 4-12 Sports Day. The day went off without a hitch and we were treated to some great weather, excellent participation, some close competition and some record breakers. Well done to all students, staff and volunteers involved on the day and for their support to make the day such a success.

We have been fortunate to find a replacement for Jordan Hooper's teaching component for the rest of semester one. We would like to welcome Aseri Raikiwasa to the role. He will be teaching PE three days a week for the remainder of the semester, starting from next week. He will also continue in his SSO role within the secondary section of the school. We wish him all the best in this new and exciting role and are confident that the students will enjoy the lessons he is already planning. We thank Natasha Agars for teaching the PE classes over the past few weeks and for supporting Aseri into this teaching position.

You will hopefully have seen on Facebook, and in the newsletter, that we are currently advertising for a new Boarding House parent, starting at the beginning of term 2. Please continue to share this around to anyone who you think may be interested in this position. I am more than happy for them to give me a call for a chat about what the role entails.

We also are currently also advertising for an SSO to support a student 1:1 for 5 days a week. If you require more details about this position, please contact Jordan Hooper to discuss.

A reminder that we are having a **Student Free Day** next **Thursday 7th April**. As a staff, we are looking forward to reviewing the start of the year and checking in on how our improvement journey is going so far, where we need to redirect our teaching focus, and to also ensure that the students learning is on the right improvement trajectory. The day will support our staff to ensure that their teaching pedagogy is having a positive impact on the students learning and that they continue to deliver a relevant, challenging curriculum. Part of the day will also be used to prepare for the External School Review which will happen early next term.

I would also like to mention some powerful learning which I witnessed in the Year 12 room during a study period. There were five students in the room all engaged and independently working on work which they needed to get completed. One student was composing music on a keyboard linked to his laptop, another was busy working on a task in his Google

Classroom. The next showed me a set of Biology revision cards which she and another student had made to help them study for an upcoming test. The next in line was busy staying up to date on their Maths task and the last was editing video footage of themselves and an elite athlete for a comparison task in PE. Wow! I really was impressed by them all!!

If you have any queries throughout the year please Dojo, email or phone your class teacher, Jordan Hooper or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,

Trev

Deputy News

Wow what a term so far! Dash n' Splash was so much fun this week, thank you to Jess Quinn, Tiffany Smith and Elle Burton for helping us organise and run this event. To all staff members and Year 6 helpers who ran activities a big thank you also, it ran like clockwork. It was great to see so many families there watching and cheering on the students, it was so nice to be able to hold events like this outside in perfect weather in the current COVID climate. We also held an outdoor Secondary assembly last week which was successfully run by our Year 12 SRC students, it was really nice to have all of us together celebrating achievements in the term so far.

We have been working on a new consistent approach to reading for our R-6 classes and we will be introducing reading targets to all Primary classes next term. Mrs Burton's and Miss Roach's classes are introducing targets this week for their classes, please keep looking at your child's class dojo story and for letters sent home for more information. We will also be holding a InitiaLit meeting early in term 2 for Reception and Year 1 parents/carers to go through the InitiaLit program and the decodable readers that will start being sent home for your child to read.

We have now held all our official practice test for NAPLAN 2022 with our Year 3, 5, 7 and 9 classes. Our technology withheld the challenge, I remained relatively calm but best of all the students participated in this really well. They understood the importance of navigating the NAPLAN browser, practicing under test conditions and the process involved for the upcoming NAPLAN in term 2.

We have more exciting events coming up in this term still like a Primary assembly Tuesday Week 11, and of course Easter Bunny's visit in week 11, please remember Thursday Week 10, 7th April is a Student Free Day.

One last thing for now, we will be sending order forms home soon for those that wish to purchase a Reconciliation Week T-Shirt, these are being designed by our Indigenous students and our SRC will print these with our new Cricut maker. The theme this year is Be Brave, Make Change! More information will come regarding how we will promote reconciliation and strengthen students' knowledge and understanding of Aboriginal and Torres Strait Islander histories, cultures and contributions during this week.

Thank you for reading, please don't hesitate to contact me if you have any concerns, feedback and/or questions.
Jordan Hooper.

Administration News

COVID

Having had a few cases at the school it becomes very clear that communication between families and the school is very important. As a school we have a set of protocols that we need to follow regarding classroom contacts for both students and staff, 1:1 contacts and notifying the Department. If your child/ren test positive or are isolating because of close contacts from outside of the school can you please let us know as soon as possible so we can put the wheels in motion.

We are trying our hardest to keep everyone safe and healthy but we need your support to be able to do this, so please, if your child has the slightest symptoms or is not feeling well keep them home.

School Yearbook

The 2021 Cleve Area School Yearbooks are on sale at the Front Office - \$35:00 each. Get your copy now!

Bus Travel

If your child/ren are needing to go on a bus that they do not normally travel on, please contact the school prior to contacting the bus driver. Some of the buses are full and we need to know who is on the bus for emergency contact information.

SMS

Cleve Area School is in a trial with a new messaging system with the Department. I will be sending out regular messages with information on COVID information, notes and reminders. If you are not receiving messages from the school, please contact the school.

Parent & Community Presentation

At The Resilience Project, our mission is to teach positive mental health strategies to help people build happiness and resilience.

Some of the mental health statistics in our country are startling. Looking after our mental health doesn't have to be.

We are especially committed to delivering programs in primary and secondary schools. These settings have the greatest opportunity to instil positive wellbeing habits in our youth, and rewrite the confronting mental health statistics.

One in four adolescents will experience mental health problems this year and nearly two thirds of them will not seek help.

Alarming, **one in seven** primary school students are also likely to experience mental health problems this year.

Through engaging presentations, student curriculum, teacher resources and digital content, our School Program supports mental health not just in the classroom, but also in the family home.

During our Parent & Community Presentation, Hugh van Cuylenburg or Martin Heppell will share their experiences and combine them with practical strategies that can be implemented every day to improve our overall wellbeing.

The research is clear; the more positive emotion you experience, the more resilient you will be. For that reason we focus on three key pillars that have been proven to cultivate positive emotion; **Gratitude, Empathy and Mindfulness (GEM)**.

Key Takeaways

As parents and carers, we know you want to show up for your kids, support their mental health, and encourage them to be the best they can be. An important part of showing up for our children, however, is first showing up for ourselves.

Our Parent & Carer Presentation will help you...

- **Equip yourself with simple, practical tools** to look after your own wellbeing.
- **Be informed** of the confronting mental health statistics in our country, and **understand why prevention is the key** to changing this narrative (especially for our children).
- **Learn about GEM (Gratitude, Empathy & Mindfulness)** - the evidence-based principles your kids' are living and breathing at school to feel happier and build resilience.
- **Feel confident** in holding positive wellbeing discussions with your family.

hello@theresilienceproject.com.au | (03) 9113 9302 | theresilienceproject.com.au

We are really looking forward to this Parent/ Carer Webinar with Hugh van Cuylenburg on Thursday 5th May, 6.30pm-8.00pm (90 minutes) AEST.

During this presentation, Hugh will share his experiences and combine them with practical strategies that can be implemented everyday to improve our overall wellbeing.

You will need to register using the following registration link: https://uso2web.zoom.us/webinar/register/WN_h2Agzar5R5eA9_655AYIUQ

**Upon registration, registrants will receive a link to attend the webinar, along with a reminder the day prior.

Years 4 – 12 Swimming Carnival

The Year 4-12 Swimming Carnival was held recently in ideal conditions. The weather was calm and it warmed up in the afternoon to provide incentive for students to jump in and have a swim. It was pleasing to see the effort that students put into preparing for the day, with many posters adding colour and decorating the pool area. As usual, the support we received from family and friends fantastic and I thank everyone who turned up to watch and encourage students to participate. It was an extremely close competition for the whole day with the result only decided in the final race. Kahibah, Nurrugy and Cooranga had a great tussle throughout the whole day with Kahibah just managing to hold on from a fast finishing Cooranga and to win by just 3 points. It is Kahibah's first Swimming Carnival shield win since 2010 and just their fifth title in 40 years. Whilst Killara were a fair few points behind their competitors are to be congratulated on the way they battled through to the end. Congratulations must again go to Kahibah who were deserving winners of the 'Team Spirit Award' for the third year in a row.

Below are results for the day:

Final scores:

| | | |
|----------|---------|-----|
| Kahibah | (Green) | 496 |
| Cooranga | (Red) | 493 |
| Nurrugy | (Gold) | 472 |
| Killara | (Blue) | 373 |

Team Spirit Award:

Kahibah House

Congratulations to the following award recipients:

Championship Winners

Sub-Junior Girls

| | | |
|-----------|------------------------------------|-----------|
| Winner | Tegan Hannemann (Nurrugy) | 12 points |
| Runner-up | Magesta Tomney-Crossman (Cooranga) | 9 points |

Sub-Junior Boys

| | | |
|-----------|------------------------------|-----------|
| Winner | Ted Rogers (Kahibah) | 13 points |
| Runner-up | Brooklyn Macgowan (Cooranga) | 8 points |

Junior Girls

| | | |
|-----------|-------------------------------|-----------|
| Winner | Rossieanna Edwards (Cooranga) | 14 points |
| Runner-up | Ruby Beinke (Kahibah) | 6 points |

Junior Boys

| | | |
|-----------|--------------------------|-----------|
| Winner | Callan Masters (Nurrugy) | 12 points |
| Runner-up | Ryder Quinn (Cooranga) | 9 points |

Intermediate Girls

| | | |
|-----------|----------------------------|-----------|
| Winner | Gabrielle Taheny (Kahibah) | 14 points |
| Runner-up | Eloise Brumfield (Killara) | 8 points |

Intermediate Boys

| | | |
|-----------|------------------------|-----------|
| Winner | Justin Dunn (Cooranga) | 20 points |
| Runner-up | Oscar Byrne (Killara) | 12 points |

Senior Girls

| | | |
|-----------|------------------------|-----------|
| Winner | Kate Haines (Cooranga) | 14 points |
| Runner-up | Claira Weiss (Kahibah) | 9 points |

Senior Boys

| | | |
|-----------|---------------------------|-----------|
| Winner | Seth Hutchins (Kahibah) | 20 points |
| Runner-up | Zane Crettenden (Killara) | 11 points |

Age Events Winners

| | | |
|-----------------------------------|---|-----------|
| Sub-Junior Girls Winner | Rivah Nield (Kahibah) | 7 points |
| Sub-Junior Boys Winer | Hudson Lienert (Killara) Tied with Paddy Rogers (Kahibah) | 7 points |
| Junior Girls Winner | Eloise Brumfield (Killara) | 7 points |
| Junior Boys Winner | Kobi Jenner (Nurrugy) | 9 points |
| Intermediate/ Senior Girls Winner | Gemma Harris (Kahibah) | 10 points |
| Intermediate Boys Winner | Samuel Dingwall (Cooranga) | 11 points |
| Senior Boys Winner | Daniel Bammann (Kahibah) | 7 points |

Record Breakers

| <u>Competitor</u> | <u>Event</u> | <u>Time/Distance</u> | <u>Previous Record</u> |
|------------------------|----------------------------|----------------------|--|
| Justin Dunn (Cooranga) | Intermediate 34m Butterfly | 23.6 secs | 28.9 secs (Jed Burton, Cooranga 2018) |
| Justin Dunn (Cooranga) | Intermediate 34m Freestyle | 20.2 secs | 20.7 secs (Jed Burton, Cooranga 2018) |
| Nicole Simes (Nurrugy) | Senior 34m Butterfly | 27.0 secs | 29.8 secs (Keeley Mason, Killara 2009) |

We would like to thank all people who contributed to the running of the day, especially, the *Student Representative Council* for providing drinks for sale, sausage sizzle for lunch and donating the ribbons, *Parents and Friends* for the donation of trophies and medallions and Jock Duncan and Kerry Smith and their student helpers, for setting up shades at the pool. Thank you to the staff who supervised lunchtime practices and helped with duties on the day. Thank you also to Aseri Raikiwasa for his assistance with preparation for the carnival. We would like to acknowledge the support of Eastern Ranges for the loan of their shelters and Graeme Fischer for towing the zone trailer of shades up from Port Lincoln.

Special thanks to Nat Roberts for organising parent helpers and to House Leaders for their work in preparing their teams for the day.

The Sports Committee meets regularly throughout the year to review carnivals. If you have any feedback please forward it to the school for consideration by this committee.

Graeme Byrnes, PE Teacher

Year 11/12 Agriculture

The Year 11 and 12 Ag students travelled to Ben Ranford's farm to have a look at his innovative cropping system. Unlike most farmers who usually purchase expensive fertilisers containing mostly nitrogen and phosphorus, Ben creates his own fertiliser using cow manure, milk powder and water.

Cow manure contains microbes which are little bugs that live in the cow's stomach. The microbes help the crop grow by breaking down large molecules in the soil into small nutrients which the plant can use to grow, which also improves soil structure, composition and quality. Essentially, the microbes in the fertiliser provide enough nutrients naturally for the plant to thrive, which increases yields and profits whilst being cheaper.

As part of our Ag learning, the Year 11 and 12s took the opportunity to attend the Elders and Ramsey Bros. showcase day at Paul Bammann's. At this day we saw a Bednar deep ripping machine that was used to bring up clay and then level off the surface after. This was a great demonstration that showed when ripping deep enough farmers can break through the clay pan and bring this to the surface to incorporate into the soils.

The other part of the day we listened to speakers organised by Elders that spoke about new interventions involving seed and fertiliser efficiency to get the best potential out of crops.

**ANCILLARY EXPRESSION OF INTEREST
(12 MONTHS OR LESS)**

25 hours per week – over 5 days

TENURE 02/05/22 – 08/07/22 (High Probability that the position will roll over for the whole year)

GENERAL INFORMATION

Location: Cleve Area School
Position Title: Secondary Classroom Support (Position 1)
Classification: SSO 1

CONTEXT OF THE POSITION

The Department for Education is entrusted by the South Australian community to work together with young people and their families to lead and deliver high quality public education and care.

The Department for Education is a diverse organisation made up of local school, preschool and care communities that are open to all. Schools respect the local ethos, culture, history, vision and values within their own distinct community, providing all students the opportunity to excel.

The school context is defined by the Governing/School Council constitution, the School Context Statement, Site Improvement Plan, Annual Reports and other planning documentation. The School Context statement and other general information about the school is available on the school's website.

ROLE DESCRIPTION:

This role will require the incumbent to work effectively as part of a team to support a Year 8 student who has an intellectual disability as detailed in their One Plan. Attending training and development will be encouraged.

ESSENTIAL CRITERIA:

- Ability to establish and maintain effective working relationships with staff and students and communicate with a wide range of people
- A knowledge of effective practices to support students learning
- A knowledge of effective and safe practices when supporting students with disabilities.

APPLICATION TO INCLUDE:

- An expression of interest and CV of no more than 500 words addressing the above essential criteria
- Include two referees (one being your Line Manager, is applicable)
- If applying for more than one position, identify order of preferences
- Confirmation of your eligibility for employment in 2022

Applications Close: Friday 8th April, 2022 at 5pm

Forward application to Jordan Hooper, Deputy Principal, Cleve Area School, Second Street Cleve, or email to jordan.hooper281@schools.sa.edu.au

FOR FULL JOB AND PERSON SPECIFICATION OR FURTHER INFORMATION, PLEASE CONTACT:

jordan.hooper281@schools.sa.edu.au

General Requirements

All Department for Education employees are expected to uphold the Code of Ethics for the South Australian Public Sector. Note: A copy of the code and related information for Department for Education employees is available at: <https://publicsector.sa.gov.au/policies-standards/code-of-ethics/>

Employees have a responsibility to ensure they are aware of, properly administer and comply with all legislation and regulations relevant to the performance of their duties and/or their role including equal opportunity and relevant workplace health and safety legislation and related departmental responsibilities and procedures, including child safety.

CLEVE AREA SCHOOL

We are currently looking for someone who enjoys the company of adolescents, who is responsible and caring. It can be an individual (or couple) to be our Boarding House Parent/s. 7 students currently reside in the facility who have come to Cleve to study Agriculture from across the EP. We are located on the Eyre Peninsula, approximately 150 km between Whyalla and Port Lincoln. We currently offer 7 days a week boarding (but this is negotiable if necessary).

Details

Position: Full-Time Boarding House Parent (5 or 7 Days a week negotiable)

Award: Educational Services (Schools) General Staff Award Level 4.1 (Tenure: 9 Month Contract (commencing late April 2022 – Dec 2022). Contract renewable pending review at end of 2022. Start date can be negotiated if needed.

Duties: Meal preparation, supervision of students, purchasing of supplies, and cleaning

Benefits: Accommodation and most meals are included

Job and Person Specifications and more information is available from Trevor McDonough, Principal at Cleve Area School on 8628 2104 or by email

trevor.mcdonough563@schools.sa.edu.au
