Principal News

It's been great to see the headlights in the paddocks on the way home lately. Let's hope the skies open up soon and it does what we all want it to do!

We have had a few staffing changes for Term 2 across the school. When you ring the school you may not get to speak to one of the ladies who is usually at the other end of the line! Jody Bray is taking some leave. We thank Jody for all the work that she undertakes within the front office area and for also 'training up' our eight-week replacement - Sheri Fischer. Welcome, Sheri back to the front office. Yah!!

I would like to thank Renee Butcher who was the Boarding Houseparent during term 1. Renee helped us out at very short notice and we thank her for supporting our boarding students. This term we welcome Kendal Scobie into the role. We hope that she finds the position rewarding and enjoys her time in the Cleve community. Please make yourself known to Kendal and support her in her new adventure. Kendal has moved from Adelaide to take up the position, but grew up in the South East on a farm.

Last week I visited Uni SA at Mawson Lakes to talk to Design and Technology teachers. I had the opportunity to talk about the opportunities of completing a practical teaching block in the country and the wonderful opportunities there are for teaching on the EP. I shared with the students the quality of life, the wonderful schools, and the brilliant students which we have in our region. I have my fingers crossed that some of these students will choose to complete their practical teaching blocks on the EP, fall in love with the place and come back here to teach in the future.

Parents and Friends held their most recent meeting last Friday

at the school. There was a crèche offered through the library where some of our Certificate 111 students, (Kaci Boccock and Jorja Newlyn, who are studying Early Childhood Support), supervised the parents children, with Emma Nield helping as well. The parents were then able to attend the meeting and be able to discuss the ideas and projects with their kids at their ankles! A BIG thanks to Kaci, Jorja and Emma for providing this service. Keep an eye out for future meetings and come along and drop your kids off at the crèche.

Yesterday afternoon the proposed Student Free Day for Friday 3rd June (Week 5) was postponed until later in the term. There has been a spike in Covid cases in some towns across the EP recently. The secondary staff were heading to Port Lincoln and the primary to Cummins to discuss the DfE Units of Work and how to best utilise this new curriculum resource in the classroom. In the meantime, Elle Burton will continue to support our staff with the implementation of the Units of Work along with Clint Beard from the District Office.

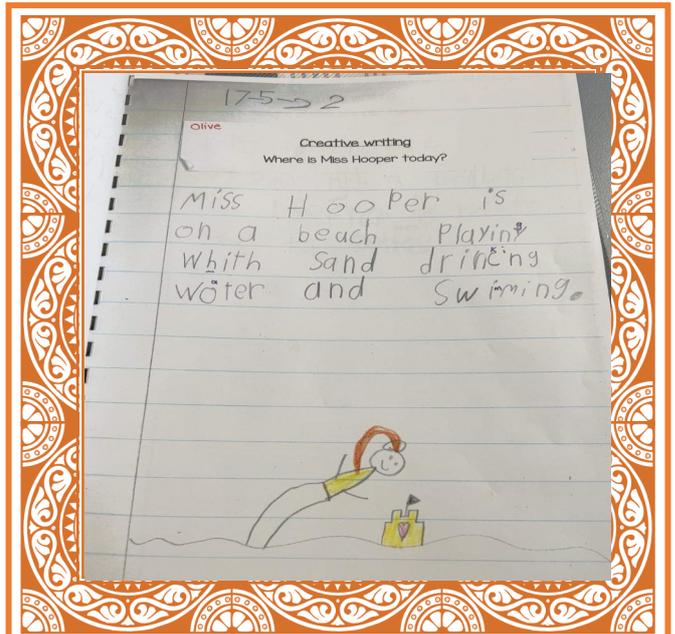

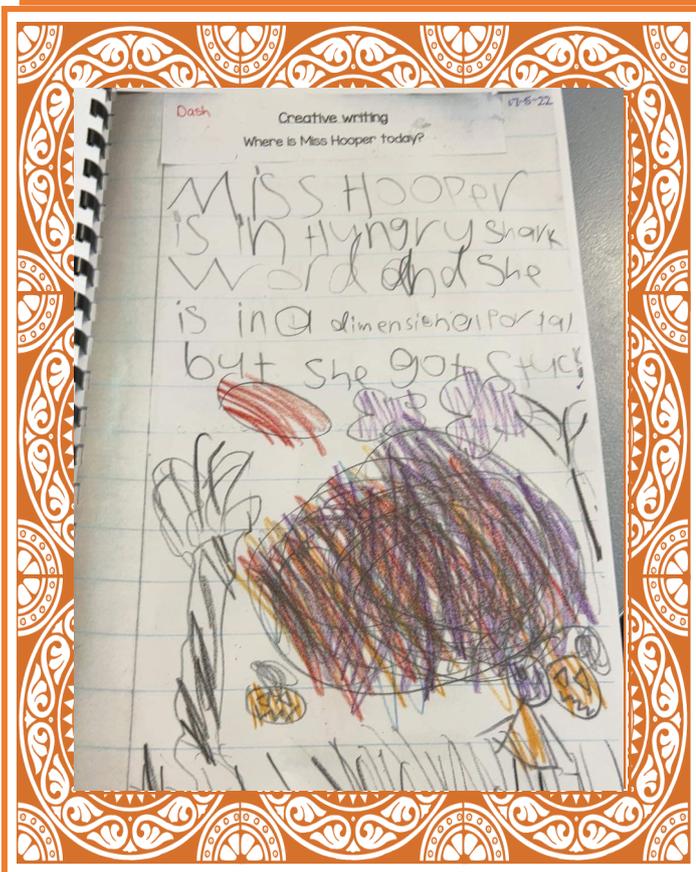

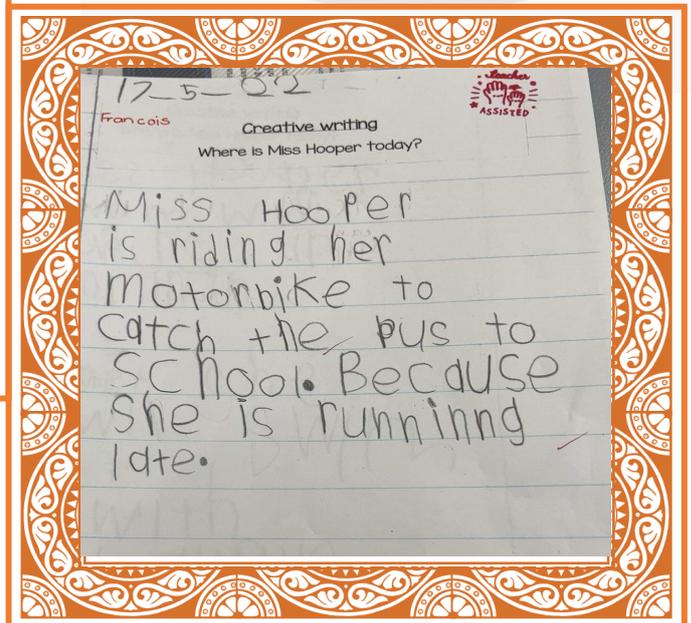

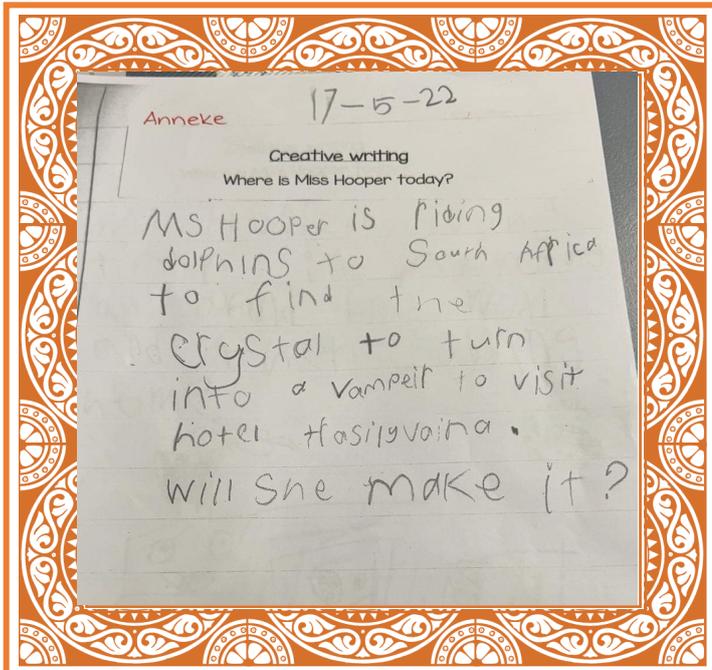

If you have any queries throughout the year please Dojo, email, or phone your class teacher, Jordan Hooper or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,
Trev

CAS is grateful to have committed staff & students, giving up hours of their Sunday for some of our extra curricular projects!

Ms Hooper was away on Tuesday, and Mrs Quinn's class had ideas about where she was...

Deputy News

Happy Week 3 everybody! We have been making our way through the NAPLAN tests this past fortnight and, of course, COVID, gastro, and even an EP-wide internet crash have caused some disruptions. I am very proud of the students who have sat their tests, after missing NAPLAN in 2020 there was some anxiety surrounding the week. However, the students got right into it each day; putting their headphones on, logging in, and keeping engaged with the test for the entire duration.

There will be a whole school assembly and "Open" afternoon coming up on Thursday, Week 5 from 1:45pm onwards! This will be an assembly to present the Reconciliation t-shirts designed by our Indigenous students, and our Year 12 students will be presented with their Senior year jumpers by their Reception buddies. After the assembly, the students will be participating in Buddy Class activities organised by our Primary SRC. Families are invited to stay to visit classrooms, view our Reconciliation Week gallery walk in the library, and buy a sausage from the Secondary SRC BBQ.

By the end of Week 3, all our Primary classrooms will have individual reading targets set for their students. A letter will go home to families outlining your child's term target and the home reading expectations. Our new 2022 diaries have a page dedicated to home reading so please ensure you sign off that your child has read so the classroom teacher can check this off. Please see the infographic below for more information on introducing reading targets.

Any questions please don't hesitate to contact me, Trevor, or a member of our Leadership Team. Have a great week!
Jordan

INTRODUCING READING TARGETS

What is a target?

Reading targets will be an approach across R-6 to individually target students reading, set home reading expectations, focus on a consistent approach and track our students improvement.

How?

Teachers will set targets for students from their star reader diagnostic report each term. A letter to families will go home outlining the target. Teachers will check diaries for home reading 3 x a week and if a student has not read they will go to reading catch up at lunchtime on Friday.

Why students think its important?

- Creates a comfortable struggle.
- Individual goals and easy to track.
- Ability to keep checking in.
- Enjoyment of reading

How it will be achieved?

- 5 words or more wrong on a page - too tricky!
- Too easy - you won't progress!
- Quizzes each week 2 minimum - push yourself if you are reading smaller books.

Sporting News

Eyre Peninsula Football and Netball Challenge

The annual EP School's Football and Netball Challenge will be held on Wednesday 25th May in Port Lincoln at the Ravendale Sporting Complex. The day consists of competitions for Open Football, Open Netball, Year 9/10 Netball and Year 7/8 Netball. We have entered a football team, two teams in the Open, two in the Year 9/10 and one team in the Year 7/8 Netball competitions.

Schools involved are Cleve, Cowell, Tumby Bay, Navigator College, St Joseph, Streaky Bay, Wudinna and Port Lincoln.

Spectators are most welcome to come along so if you are in Port Lincoln for the day and have some free time I'm sure our competitors would welcome some support. The programs are still to be finalised but games usually commence at approximately 10.00am with the presentation of shields and pennants occurring around 2.00pm.

Help may be needed with umpiring, scoring and coaching on the day. If you haven't done so, and are able to assist, please contact myself or Jess Deer at the school.

Graeme Byrnes. (Physical Education Teacher)

INTERSCHOOL SPORTS DAY – NEW DATE!

Interschool Sports Day has been re-scheduled for 26th September (Monday, Week 10 Term 3). As originally planned it will be hosted by Tumby Bay Area School.

EYRE PENINSULA/UPPER NORTH SECONDARY SWIMMING CHAMPIONSHIPS

Congratulations to Justin Dunn who has been selected in the Eyre Peninsula/Upper North Zone Swimming Team. This Team has been selected from all Eyre Peninsula, Whyalla and Port Augusta Schools and will compete in the A Grade Competition at the Adelaide Aquatic Centre on Thursday, 26th May. We wish Justin the best of luck.

Uniform Update

I am currently in contact with AESS to get an update on current uniform orders. If anyone has any outstanding queries you would like me to follow up on, please email me at the school. ***Uniforms should be arriving late next week. (Fingers crossed.)***

Thanks, Sheri Fischer

Sheridan.fischer746@schools.sa.edu.au

Gratitude

Working on gratitude helps us to be **thankful** and **appreciate what we have in our lives**, rather than focussing on what we don't have or what we want. When we practise being grateful, we start to **scan the world to look for positives** - this only takes 21 days!

Benefits of practising gratitude everyday are:

Increased levels of energy.

Feeling happier.

Become more focussed, determined and optimistic.

Better sleep.

Lower levels of anxiety and depression.

Less likely to get sick.

Here are some quick and easy ways to include gratitude into your daily routine with your whole family:

Think about a **friend** or **family member** you are grateful for and write them a letter. Tell them why they are **important to you** and what you **love about them**.

Around the dinner table or before bed, have everyone talk about **3 things that went well** for them that day.

Have a discussion of what you are **looking forward to** the following day, week, month.

Check out TRP@HOME!

Here, you will find more **activities and ideas** you can use with your family to incorporate **Gratitude** into your lives. There are also **Empathy**, **Mindfulness** and **Emotional Literacy** activities you can use to **spread happiness** and **build resilience**. **TRP@HOME** activities change throughout the year, so don't forget to keep checking in! Click on the image below to check it out.
