CLEVE AREA SCHOOL

Newsletter

PRINCIPAL NEWS

I hope everyone enjoyed Easter with family and friends. Hopefully you were controlled and didn't over indulge in hot cross buns or Easter eggs! I tried hard but...

A reminder that the last day of school for Term 1 is Friday 14th April. School will finish an hour earlier on this day at 2:10pm. Please expect your children home an hour earlier on the bus.

The first term of 2023 has flown by and it's hard to believe that it is already done and dusted. At staff meeting last night we had a check in about how the term has gone and how we know students are improving in their learning. Teachers were able to identify numerous examples of the improvement in learning outcomes that students have been able to achieve from the beginning to the end of the term. We also spoke about what barriers there are for students to engage in their learning or potential adjustments we can make to our teaching practice to improve student's engagement and also support them to achieve their very best. It was an interesting discussion and there were many ideas how improvements can be made in the delivery of the curriculum.

Government of South Australia
Department for Education

I hope that everyone has a safe and relaxing (or exciting and fun filled!) holidays. If you are travelling, be safe and I look forward to catching up with everyone next term (Monday 1st May) and hearing all about what you got up to!

As always, if you have any queries throughout the year please Dojo, email or phone your class teacher, Callum or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,
Trev

DEPUTY PRINCIPAL NEWS

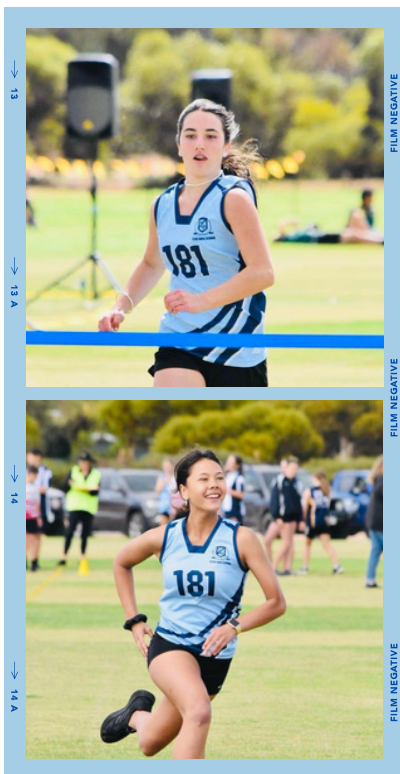

Our interschool and Mile End competitions were a great success this term. Our students showed great sportsmanship and team spirit, which was a pleasure to see. I heard great reports about our students conduct and we are proud of them for representing our school with such enthusiasm and professionalism. The staff also enjoyed the opportunity to build relationships with the students outside of the classroom. Another highlight of this term was the NAPLAN testing. It was encouraging to see the hard work and dedication that our students put in to prepare for these tests. We are confident that we can use the results to help them continue to make great progress in their academic studies throughout the year.

After the disruptions of the recent years, it was wonderful to see camps and excursions returning to normal. Our students had the opportunity to learn and explore outside of the classroom, which is an invaluable experience for their personal growth and development.

Finally, we would like to express our gratitude for the continued support of our parents. I have enjoyed getting to know a lot of you better this term and appreciate your involvement in our school community. We look forward to continuing to work together to provide the best possible education for our students.

As we head into the next term, we remain committed to providing a safe and supportive learning environment for all our students. We wish you all a relaxing and enjoyable break and look forward to continuing our journey together in the coming months.

Happy Holidays,
Callum

SACE News

This year we have welcomed Design and Tech Studies teacher Bill Megaritis to Cleve. He has been teaching for 15 years including at Southern Vales Christian College, Lameroo Area School and now at Cleve! Bill is passionate about students learning future technologies to prepare them for the modern workforce. Moving to a new school has been at times overwhelming for Bill but he has managed this well with the great Cleve staff to support him. If you see Bill around our community, be sure to say Hi!

Students have been working hard to meet timelines and stay on top of their workloads and teachers have been impressed with their time management so far. It will be important for students to use the school holidays to catch up on any outstanding work to ensure they set themselves up for a successful term 2.

The Snow Trip is occurring during week 1 of Term 3 for our senior students (Years 10-12). This means that work experience for Years 12 and 11 students needs to be organised during school holidays. Please start conversations with your child to ensure they begin planning some potential work experience opportunities.

Jo Turner
SACE Coordinator

Year 2 Local Excursion

CLEVE AREA SCHOOL YEAR 4-12 SPORTS DAY

Congratulations to Cooranga House who put in a great team effort this year to run out comfortable winners. It was a tight contest between the four houses with the scores spreading out towards the end of the day. After finishing bottom for the last few years it was great to see Killara House be far more competitive and not be too far off second position. Congratulations to Kahibah House on an excellent team effort throughout the lead up to and on Sports Day to emerge victorious in the Team Spirit Award.

Thank you to Parents and Friends for their continued support with the donation of trophies and medallions, the Year 9 Canberra Trip fundraising committee for lunch, the SRC for the donation of place ribbons and providing drinks and snacks, staff and parent officials and house captains and vice captains, for ensuring the day ran smoothly and successfully. It was great to see many parents, relatives and friends on the day and I thank them for their support. I would like to give a massive thanks to Nat Roberts for her assistance with organising parent helpers. Thank you to Jacqui Dolling for the use of her metal detector to assist with marking out the oval.

A big thankyou to Cooper Llewelyn for opening the day and his help with officiating a shot put, Kerry Smith and Jock Duncan for the time they put in to organising the oval (which again this year was fantastic!) and facilities.

Well done to the following individual trophy winners and record breakers on their fantastic performances and to everyone who tried hard on the day and participated positively during the practice/trial sessions.

Graeme Byrnes, Physical Education Teacher

Final Scores:

- Cooranga (Red) – 584
- Nurrugy (Gold) - 493
- Killara (Blue) - 472
- Kahibah (Green) – 438

<i>Rossieanna Edwards - Cooranga</i>	Junior Girls Shot Put	8.90 m	8.24 m (Lauren Edwards, 2004)

Interschool Sports Day

Our team of over 60 competitors ventured to Kimba on the Wednesday of week 9 to compete in the Interschool Sports Day. Competitors were fortunate enough to experience ideal conditions with near perfect weather and the organisers doing a great job with the grounds.

The team performed exceptionally well this year, winning both the Athletics Championship and Ball Games Shields. Our Sub-Junior and Junior Age Groups won the handicap pennants whilst our Senior Group were runner up and we finished runners up by only 6 points to Kimba in the Handicap Shield.

There were many excellent individual efforts with students trying their hardest to finish as high as possible and win points for the team. Whether winning a ribbon or not, it was great to see competitors come back with smiles on their faces.

Congratulations to Brigit Taheny who set new records in the Sub-Junior Girl Long Jump, Triple Jump and High Jump!

I would like to thank all the staff and students for their support and the effort put into practices and competing on the day. A special thank you to all family members and friends who came along and supported the team.

Final Scores:

Championship Shield:

Cleve	1054
Cummins	994
Tumby Bay	857
Kimba	845
Wudinna	785
Cowell	717
Lock	174

Year 11/12 Workplace Practice

The Year 11/12 Workplace Practices class met with Mayor Phil Cameron and Works Manager Grant Crosby on Tuesday this week to discuss the future of local Government as well as picking up some great advice on how to apply for a job. It was a really valuable discussion for which we are very grateful to Phil and Grant.

6:30am at the Cleve Cenotaph on Main St

Following the Service, please feel free to join a free breakfast at the RSL Hall on behalf of the Cleve Lions Club, Ramsey Bros and Cleve Foodland.

LEST WE FORGET.

MEDIA RELEASE

SA Ambulance Service

Will you answer the call? Join the Cleve or Elliston Volunteer Ambulance Team today.

SA Ambulance Service has launched its recruitment campaign *Answer the Call* and is looking for more volunteers in your region.

More than 1200 volunteers provide ambulance services in 80 locations across the state, including at Cleve and Elliston.

The Cleve and Elliston volunteer teams respond to the community for chest pain, breathing problems or pre-existing medical conditions, and on occasion, trauma cases.

Central Eyre Peninsula Regional Team Leader Campbell Forsyth said volunteers nominated themselves on the roster when it suited them.

"We train regularly so volunteers are always prepared to answer the call when it comes," Campbell said.

"Cleve and Elliston teams are both hard working small teams supporting their communities. They would welcome any new recruits," Campbell said.

Come and meet the Elliston team at the Elliston Oval on Saturday 15 April from 12-4pm. SAAS and CFS volunteers will be there for the public to come and have a look at what they do.

Volunteers gain experience and nationally-recognised qualifications in pre-hospital care, meet new people and support their communities.

New recruits do a combination of online and face-to-face training, and are always paired with a qualified officer while on a call.

"SAAS provides training, uniform and reimburses out of pocket costs such as travel and childcare," Campbell said.

"Some of our people have gone onto careers in health, in a variety of positions, after receiving an insight into the sector through volunteering for SAAS," he said.

A fully qualified volunteer Ambulance Officer is awarded a Certificate IV in Healthcare once their training is complete.

Volunteers and their families also receive free Ambulance Cover whilst volunteering for their communities with SAAS.

If you are interested in becoming a volunteer, please feel free to give Regional Team Leader Campbell Forsyth a call on 0429 678 250 or head to saasvolunteer.sa.gov.au.

Get to know your ambulance service, visit SA Ambulance Service on Facebook, Instagram, LinkedIn and Twitter.
