PRINCIPAL NEWS

Hope everyone had a restful break and enjoyed spending time doing some different things.

We have had some staffing changes for this term. We would like to congratulate Gemma Leonard on winning the Inclusive Education Leader position for the remainder of 2023. I'm sure Gemma will continue on from where she finished off at the end of last year. Hopefully she isn't too travel lagged! I thank Lou McDonough for the work she has done for us in managing the Inclusive Education in term 1. It's not an easy role to jump into at short notice but she handled this expertly. I'm sure we will see Lou around in the school in the future TRTing.

Congratulations to John Solly on winning the Agriculture Leader position for the remainder of 2023. John has a wealth of knowledge in agriculture and will continue the growth of the ag course. Thanks to Feebi Masters for all the work she has put in to getting the ag program into the position it is in at the moment. All your hard work has not gone unnoticed. Enjoy the next phase of life – parenthood! We thank Fiona Millard for starting the year off with the Year 2's.

Thursday 18th May
Walk Safely to School
Friday 19th May
Student Free Day

Fiona is on Long Service Leave for term 2. Kirsty Elson is increasing her time to 3 days a week. We welcome Erin Martens (now Gale – Yah!) back to the school for 2 days a week for term 2. Welcome back to Olivia Crosby who returns from Long Service Leave. She will continue delivering NIT to the primary classes. Hopefully she is refreshed and ready to go! Welcome to Sky Noble for term 2. She will be teaching in the junior secondary area. We look forward to having Sky with us and we know that the students already have good relationships with her. A massive thankyou to Jodie Hannemann for all her work as an SSO with our school (6 years). She will be missed by many students (and teachers) and especially Luke who she has supported and helped grow for so long. We hope she enjoys her next chapter of life in Adelaide (probably looking forward to being closer to her kids). We welcome a couple of new SSO's for Term 2 – Taitum Goodyear and Gemma Harris. We hope that they both enjoy their time working at Cleve. We wish James Loader and Shannon Jeffery well for the first 4 weeks of term 2. They both have teaching placements. I'm sure they will learn plenty and bring those new skills back to our school to support our students. Thanks to Fiona Ward for all her work in managing the finances of the school. We have appreciated having you 'fill in' for as long as you have! Congratulations and welcome to Meagan Llewelyn who is our new Business Manager. We know Meagan has worked within this role in other schools and look forward to her joining us. A reminder that we have a Student Free Day on Friday 19th May (Week 3). Staff will be busy working through the students Brightpath writing samples. This will give them an opportunity to analyse which aspect of the students writing needs to be targeted next for improvement. As always, if you have any queries throughout the year, please Dojo, email or phone your class teacher, Callum or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,
Trev

DEPUTY PRINCIPAL NEWS

Thank you to all the Year 4/5 families who came to the Chromebook information session at the end of last term. This is part of our exciting initiative to have 1-1 devices for every student in Year 4 and up and hopefully by working together we can ensure the devices are used safely and will last for many years. If you have a student in Year 3 then you can expect information about this program towards the end of the year.

Tomorrow, Jess Deer and I are taking 10 Secondary students to Whyalla for a GRIP Leadership conference which we are really looking forward to. The GRIP Student Leadership Conference is unique in that it concentrates specifically on training students for their role as leaders in a school. I haven't been myself yet, but I'm told it is a lot of fun and is really rewarding for our SRC members.

We will be participating in Walk Safely to School Day on Thursday Week 3 (18/5), due to the Pupil Free Day on the official day (Friday 19th). The purpose of the day is to promote the health benefits of walking and reinforce safe pedestrian behaviour. Bus students will be dropped at the showgrounds to walk to school and any other students are welcome to join – just have them there by 8:35 am.

In the coming weeks students in Years 4-12 will be participating in a Wellbeing survey that is run by the department each year. The survey is completely anonymous and allows us to collect important data on our student's wellbeing. There is further information in this newsletter and up on Dojo. We would appreciate it if families could talk to their children about the importance of giving accurate information so that we can continue to meet their needs and keep Cleve Area School a great place to learn.

Dear Parents/Caregivers,

Our students have been invited to take part in the Wellbeing and Engagement Collection survey. The survey will be open in weeks 2 to 5 of term 2 (Monday 8 May to Friday 2 June 2023).

Purpose of the survey

Young people's wellbeing is an important part of how they learn at school. The survey seeks students' views about their wellbeing and their engagement with school. Students in years 4 to 12 across the state will be invited to participate and the information collected will help the education system and broader community to support young people's health and wellbeing.

What is the survey about?

The survey asks students about their social and emotional wellbeing, school relationships, engagement and learning in school, physical health and wellbeing and after school activities.

How will students complete the survey?

Teachers will arrange for students to do the survey during class time. They will be asked if they would like to participate and are free to withdraw at any time.

Will students' information be kept confidential?

Students' personal information and identity will remain anonymous. Survey responses are confidential, and no one (including school staff) can use the results to identify individual students. Participating schools with fewer than 5 students undertaking the survey will not receive a report of results, to protect the confidentiality of students.

What will happen if a student is distressed during or after the survey?

The survey includes some questions on topics such as student happiness and bullying.

Teachers will inform students that:

- if they find the survey uncomfortable or distressing, they should leave the survey immediately
- it is not compulsory to take part in the survey as a whole
- students can skip individual survey questions if they wish.

Students who would like to speak to an adult about any concerns they may have will be supported to do so.

If you have any questions or concerns please do not hesitate to contact us.

Kind Regards,

Sarah Agnew

Trevor McDonough

CLEVE AREA SCHOOL WELLBEING TEAM

If you are struggling and need some extra support or just someone to talk to, you can get some help by:

- Filling in the wellbeing form and put in the box in the library
- Ask your teacher to refer you to a member of the wellbeing team
- Ask at the front office for support
- Access the Interception Room
- You can also email one of us directly

WELLBEING NEWS

Term 2

This term we are excited to welcome Emma Jordan to the Wellbeing Team! Emma will support Sarah Agnew in supporting our students' wellbeing with a focus on junior secondary students.

A reminder about the Interoception Room which is open for all students in R-12. This is staffed from 8.30-8:50am each day and after lunch four days a week from 1:40-2pm. This room is a safe space for students to come and learn about self-regulation, emotional awareness and effective calming strategies. Remind your kids and encourage them to use this space!

This term we are introducing 'Wellbeing Wednesday's' with a colour and chat group in the library at lunchtime each Wednesday, starting in Week 2. All students are welcome to join Mrs Agnew and Miss Jordan for some board games and colouring in while also offering a safe space to chat.

Later in the term Headspace will be visiting our school to provide some valuable workshops for our students in years 6-12 around mental health, supporting friends and bullying. More information to come!
