Week 9 Term 3

This is crazy to say but (I have too), next week is the last of term 3! This term really has flown by. The last day of term will be Friday 29th September. Please expect your child home an hour earlier on this day as they will be dismissed at 2:10pm.

A reminder that we have a Student Free Day on Monday 25th September (next Monday) so the staff can continue with their analysis of the students writing through the Brightpath program. This is a valuable opportunity to moderate the students writing and plan for next terms program with the student's future learning needs in mind. The SSO's will be involved in some Professional Development on the implementation of the current intervention programs which they support students with across the school, and they will be learning about strategies to support students with their self-regulation.

Congratulations to all the students who have represented our school recently. We have received so much feedback from parents who supported our students at these events about how well the students performed and also thanking the staff involved for allowing the students the opportunity to participate. We had great representation at the Royal Adelaide Show with the goat and sheep teams. Year 9 and 10's played basketball in the EP Zone Regional competition in Port Lincoln.

DIARY DATES

Thursday 21st September
Nitro Nat Science Show
Friday 22nd September
Adelaide Strikers Visit
Monday 25th September
Pupil Free Day

Two teams of students participated in the Pedal Prix at Murray Bridge last weekend, and a cohort of students represented CEP at the SAPSASA Athletics in Adelaide this week. Very proud of you all and very thankful to all the parents and staff who ensured that the students had these opportunities.

Teaching staff has now been finalised for 2024. Primary staff are as follows: Elle Burton, Olivia Crosby, Kirsty Elson, Jane Glasson, Samantha Hunt, Shannon Jeffrey, Gemma Leonard, Alex Mason, Fiona Millard, Jess Quinn, Natasha Rosenzweig, Georgina Stutley, and Emily Woolford.

In the Secondary we have: Govinda Adhikari, Graeme Byrnes, Jess Deer, Feebi Hazelgrove, Emma Jordan, Holly Kraehe, Bill Megaritis, Sky Noble, Aseri Raikiwasa, Annie Richter, Phil Searle, Bronwyn Smith, John Solly, Jo Turner, Sam Wardle and Genevieve Wright.

We are currently working on our SSO's for 2024 and will have announcements in the near future.

In saying this, to ensure that we have the correct staffing numbers, it's extremely important that if you are thinking that your child may be continuing their education at another school, we really need to know as soon as possible. All students at Cleve are very fortunate that they are in relatively small classes in comparison to lots of schools in the state, this means that they receive more individual teaching time.

As always, if you have any queries throughout the year please Dojo, email or phone your class teacher, Callum or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,

Trev

Deputy News

Secondary Reporting

As we prepare to transition to the EMS at the end of the year, we will be revising and updating some of our policies to better match what this system will allow us to accomplish. One of the biggest changes for parents will be to reporting, especially in the secondary. In anticipation, this Term the usual secondary interim report will be replaced by an additional traffic light for Years 7-11. Year 12 students will receive a full written report as in previous years, which is their final report before receiving results from SACE. This will better align Semester 1 & 2 reporting and will function similarly to the system we have next year with the EMS.

Online Safety

I have dealt with a few incidents already this year concerning students who are taking pictures of other people and posting them online without permission. In an era dominated by social media, it's crucial for our students to understand the importance of cyber safety, especially when it comes to sharing other people's pictures online. Your digital footprint is a reflection of who you are, and respecting others' privacy is paramount. We would appreciate it if all parents could discuss with their children the importance of seeking permission before posting someone else's photo, and remind them that once it's online, it can be challenging to remove and it is impossible to control who will see it once it. As well as the potential harm this can cause others, there are serious consequences for students who are bullying others or being disrespectful – whether it is online or in person.

Pedal Prix

On a more positive note, I was extremely proud to be part of the Cleve Area School Pedal Prix team on the weekend. A 24 hr race is an incredible test of endurance and a great opportunity for the students involved to practice their perseverance in some very trying circumstances. The junior team had some inspiring individual efforts to help the others catch some sleep- Mitchell Peters was staying out as long as some of the senior boys, and Rhys Lister hopped in the bike more than anyone else during the toughest Midnight-6 am period – and the team as a whole worked together and kept up the encouragement despite sleeping in 2-3 hr stints at most. The senior team amazed me with their ability to push themselves to their limits and achieved a remarkable 8th place for their category out of 46 entrants. To give this some context, we were one of only 5 public schools in the top 20, and of those the only Area school. A great example of what our students can achieve with some hard work and the support of their parents & the community!

Cheers Callum

The Department's International Education Services Unit is currently trying to find families to host some Brazilian students in Semester 1, 2024 and/or Semester 2, 2024. They are looking for families to express an interest in hosting a student for a 6 month period of time. They are hoping to find some placements in regional schools so the Brazilian students have the opportunity to experience life and schooling in a rural community. We have been asked if there would be any families... See more

Materials & Services 2024

Please find below the proposed Materials & Services charges for 2024. The proposed charge for Reception to Year 6 is \$345 and for Years 7-12 \$430 plus some specific subject charges.

Parents, caregivers and independent students have an opportunity to discuss these fees at the next Governing Council meeting prior to final approval being given. You are invited to attend this meeting on Monday, 16th October at 5pm. If you are unable to attend this meeting and have any concerns, please express them in writing to the Chairperson, Emma Nield, before this meeting date.

SHEEP TEAM

In term 3 week 7 we went to the Royal Adelaide Show to compete in the annual wether sheep competition. One of our two teams came second in the best presented team of 3 wethers out of 120 teams that competed. The second team finished in the top 20. The school also won 1st and 2nd prize ribbons for our wether fleeces. Thank you to all parents, teachers, students for helping feed throughout the year and Glenville for supplying the sheep each year.

GOAT TEAM

In week 7 we went over to Adelaide for the Royal Show taking 11 goats with only 10 competing. It was an intense week with many nerves but we managed to get through the week coming home with 6 ribbons. 2 First, 2 Third, 1 Fourth, and 1 Fifth. This was a great week away for all students who participated, getting to see the show and how it runs and to have the opportunity to attend a week away being with the animals we had been working hard to train all year. Thanks Mr Solly, and Miss Fogarty for taking the time out of their week to take us over and give us the opportunities we got.

Ken Solly Agribusiness training for year 11s.

When: Monday and Tuesday week 1 (16th & 17th Oct) and Monday and Tuesday of week 2 (23rd & 24th) In week 1 and 2 next term Ken Solly will be visiting to deliver Agribusiness training to the year 11s and part of Mrs Turner's Year 11 Ag. Ken will teach the students business management skills including budgeting, cash flows, & gross margins for farming businesses. Other schools have also been invited to the training. Ken may also be open to delivering a similar training for parents and adults on an evening during the 2 weeks he is here. We will advertise in the next few weeks. Please let the school or John Solly know if you are interested.

Ken is a semi-retired Agribusiness Consultant based at Warrnambool in Victoria. He is recognised nationwide as an outstanding speaker on a wide range of topics. He specialises in Education and Training, Coaching and Mentoring and Agritourism. In the later years of his consulting Ken spent much of his time travelling Australia speaking at conferences and delivering training workshops. Coaching Nuffield Scholars and mentoring young people remains a regular activity. Prime lamb production and managing and developing people became his focus over the past decade. Ken currently runs 3 Lifetime Ewe Management groups at Edenhope, Nhill and Horsham.

Presently Ken is heavily involved voluntarily with Let's Talk, a mental health organisation in Warrnambool and caretakes a nearby small farm.

For the past 14 years Ken has written a weekly feature article "Mind your Business" for the South Australian Stock Journal newspaper. In 2016 Ken was awarded the ABC Rural – Kondinin Group Australian Rural Consultant of the Year.
