## Principal News

Welcome back to Term 4, students, parents, and staff! As we dive headfirst into the final term of the year, it's evident that the upcoming weeks will be filled with activities and opportunities. With SACE Exams, multiple camps, presentation morning and the primary concert, just to mention a few, it's safe to say that we're in for an exciting and demanding term. However, while staff will be quite busy providing these opportunities, we remain steadfast in our commitment to fostering learning and encouraging student improvement. Term 4 presents a chance for our students to showcase their growth and achievements and is an exciting part of the academic year.

### Pupil Free Day Report

We finished last term with a pupil-free day to continue our work on BrightPath. It was a great success, with staff from all curriculum staff areas coming together to assess and moderate student writing from Reception to Year 9. This collaborative effort allowed us to gain valuable insights into our students' progress and areas for improvement. Teachers reflected on these individualised improvement points, and they are now using this information to inform their planning for the upcoming term. SSO's were able to use the time to engage with the department's Self-Regulation service, which provided information about the sensory processing and the impact it has on student regulation and therefore

participation and learning in the classroom. This is invaluable information to allow us to best meet student needs. Thank you to the school community for handling the disruption this will have caused, we are committed to providing the best possible outcomes for our students and days like this play a crucial role in achieving that goal.

#### Finishing Times

As we approach the end of the year, it is important to be aware of the different finishing times in the senior school. Year 12s will have their final official day on Friday, Week 3 and complete their examinations during Weeks 4 & 5. Year 11 students will have their final Day on Friday Week 6, with the end of this week set aside for Stage 1 SACE exams. Year 10 students conclude at the end of Week 8 and are highly encouraged to use the time in Week 9 to gain some further experience in the workplace.

#### 2024 Secondary Staffing

We are delighted to report that due to larger than normal class numbers in Year 8 & 10 next year that these classes will have many 'split' options, instead of being together as a single year level. This is only possible due to the enrolment numbers, so we would like to express our appreciation to all families who support the school & community by having their children complete their secondary education with us.

#### Diversity

Finally, I would like to remind the school community that Cleve Area School, like all department education settings, is committed to a whole school approach to inclusion and diversity. Our staff are responsible for ensuring positive representation of gender diversity, intersex and sexual diversity, in alignment with department policy. We aim to create a school environment that is inclusive and free from discrimination, bullying and harassment for any reason, which is reflected in our school values of Caring & Respect. If you have any questions about this policy or how we can support students, then please get in touch with us. As always, if you have any queries throughout the term, please Dojo, email or phone your class teacher, myself or Trevor. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

#### Cheers

Trev and Callum

# FINANCE NEWS

After careful consideration of the costs of delivering a quality curriculum, the Governing Council has approved the Materials and Services charges for 2024 at the following amounts:

Primary \$345 (vs the suggested \$287)

Secondary \$430 (vs the suggested \$379)

Later this week you should receive an email with an invitation to vote in the online materials and services poll. This poll will determine if there is parental/guardian support for the gap between the suggested charge and our proposed charge and make the gap legally recoverable.

Some tips about the online poll:

- If you don't receive an email by the end of the week, please check your spam or junk folders.
- If parent 1 and parent 2 have separate email addresses recorded at the school, you will both receive an invitation to vote, however, it is perfectly acceptable for only one of you to vote. If you both vote the following will happen:
  - Both vote yes = 1 yes vote (per child enrolled)
  - Both vote no = 1 no vote (per child enrolled)
  - One vote yes, one vote no = a null and void vote
- If you have children in both primary and secondary school, you will receive 2 emails. Please vote in both polls.
- Your vote is completely confidential. No-one at the school can access specific voting information.
- Paper versions of the poll are available. If you do not wish to respond via the electronic poll, please contact the school and we will send you a copy in the mail.

If you have any questions, or did not get an email, please contact the school.

# Volunteers needed

The Departments International Education Services Unit is currently trying to find families to host some Brazilian students in Semester 1, 2024 and/or Semester 2, 2024. They are looking for families to express an interest in hosting a student for a 6 month period of time. They are hoping to find some placements in regional schools so the Brazilian students have the opportunity to experience life and schooling in a rural community. We have been asked if there would be any families in our community who would be interested in hosting a student. To support families hosting, Homestay Families will receive a \$340.00 payment per week. The students will be in either Year 10 or 11 and families can nominate if they would prefer to have a boy or girl to host. Please contact the school on 8628 2104 if you would be interested in hosting a Brazilian student and giving your family a chance to find out about another culture, or require further information.
