

# CLEVE AREA SCHOOL

## Newsletter

## Principal News

I would like to congratulate to the Year 12's of 2023! This Friday is their last official day at school. We hope the students who have exams get in the last bit of prep and then give it their best. We wish them all luck and look forward to celebrating their schooling with them on Friday 1st December at the Presentation Morning and then their Graduation that evening. I hope they keep in touch and let us know what they are up to next year as they venture into the next phase of their lives.

The Year 11's last official day for this year is on Friday 24th November (week 6). They need to make sure that they are managing their time to complete all their assignments by this time. Those who are seeking harvest employment are able to commence after this date. If they require a letter from the school, please see the front office staff.

This last term won't take long to go as there is plenty of work to be completed, interspersed with camps and excursions. We have been busy starting to prepare for 2024 with teaching staff now finalised and SSO's to be sorted by early next week. This will help with the smooth transition of many students who require that extra bit of support with knowing where they will be learning, who will be with them, and what next year is going to look like.

## DIARY DATES

Friday 3rd November  
Last day for Year 12s  
Monday 6th -Wednesday  
8th November  
Year 6 Camp  
Tuesday 7th - Thursday  
9th November  
Chainsaw Course  
Monday 13th November  
UniHub - Year 10 & 11s

The primary class structures have been completed and class splits will be finalised within the next week. Next year the primary classes will be: Reception/Year 1 x2 (Jess Quinn, Natasha Rosenzweig), Year 2 (Fiona Millard, Kirsty Elson), Year 3/4 x2 (Emily Woolford, Alex Mason), Year 5/6 x2 (Georgina Stutley, Elle Burton, Corey Buchan). The teachers providing NIT will be Jane Glasson, Olivia Crosby and Sam Hunt.

As always, if you have any queries throughout the year please Dojo, email or phone your class teacher, Callum or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,  
Trev

## Deputy Principal News

I extend our heartfelt gratitude to our outgoing SRC executive team of Keira Berryman, Lexi Hutchins, Amelia Millard & Chloe Phelan for their dedication and service this year. Their efforts have left a positive mark on our school, and we are thankful for their hard work. Their tenure finished with the completion of the SRC basketball competition, where the team comprising Kale Roberts, Hamish Turner, Ethan Dreckow, Cooper Allen, Archie Schubert, and Henry Roberts emerged victorious. The final match was a great contest, with the score difference being razor-thin. Kudos to the efforts of Justin Dunn, Charlie Stinger, Zayne Hitch, and Callan Masters, who were a player down in the grand final due to the absence of Tyler Hitch and Cory Ottens. They led at half time and their resilience and teamwork were commendable.

Now, it's time to welcome our new SRC executive team for the upcoming year: Ava Jenner, Lauren Millard, Miranda Millard, Kale Roberts & Hamish Turner. They are full of great ideas and we look forward to their contributions to the school. As has become a tradition, the first event for the new team to organise is the Weir Walk, which will take place on Thursday of Week 5. This event promotes physical activity and fosters a strong sense of community among our students. The new team will have more details out soon.

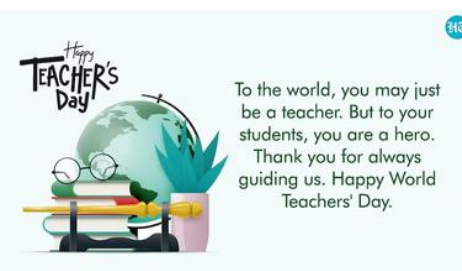

This year has seen us make some significant changes as we invest in our ICT infrastructure. The highlights for me include:

- Staff Devices: Equipping our staff with the latest technology for improved teaching and administration.
- Interactive Screens for Primary: Bringing interactive learning to our primary classrooms, with an update for the secondary following in 2024.
- Year 4 Chromebook Co-Purchase: A new program ensuring our Year 4-6 students have access to top-quality learning tools.
- 3D Printers and Laser Engravers: Empowering creativity and innovation in the Design Technologies space. These investments support our commitment to providing an excellent education and preparing our students for a bright future.

A big thank you to our wonderful SSO staff at CAS who put on a pooled lunch and helped the students write thank you cards to show their appreciation for World Teachers Day! The lollies in the staff room were also a hit. It was wonderful to have our teachers acknowledged for their dedication and hard work.

As Trevor has mentioned in his news, we really appreciate families contacting us directly with your feedback. I have had some really constructive conversations with staff & parents about ways that we can improve and now is an ideal time to do it, as planning for 2024 is in full swing. We are always on the improvement journey here at CAS and value the opportunity to keep lifting the standards of teaching and learning for our school.

Callum

## AG NEWS

Last Wednesday, Year 11 Ag students Josh Crosby, and Samuel Hannemann shored the ewe lambs, with wool handling assistance from Hannah Evans & Connor Brumfield. The Year 11s also weaned the lambs off the ewes, ready for the wether lambs to be sold next week. The ewe lambs will be classed in a few weeks and added to our self-replacing merino mob.

It's been a tough year for the crops at Sims Farm this year, having received 172mm since January 1st. Harvest started a fortnight ago: Butler peas yielded 400kg/ha from Lochie Elleway and Samuel Hannemann's Footrot Flats paddock and Connor Brumfield's Bottom paddock.

The header is now in the two canola paddocks (Dave and Audreys) that were sown by Hamish Turner, Kale Roberts, and Jason Thompson. Aaron Bammann began reaping Daves this morning. As harvest is early this year, the Year 11s will have an opportunity to harvest their own paddocks.

Ken Solly delivered Ag business planning & finance sessions to the Year 11s. He has given them gross margin and cash flow tasks to work on to finish the year.

The Year 7s with Ms Fogarty and Kerry Smith have nearly completed wicking beds ready for next year planting vegetables. Unfortunately, the garden soil has been delivered too late for the year 7s to grow vegetables before the end of the year. But we are very pleased they'll be ready to use for many years to come.

We have 100 layer chickens that the Year 7 and 9 classes are raising and will be available for sale at the end of the term. We have 50 Isa brown, 25 black Australorp and 25 white Leghorn layers for sale. They should be ready to lay their first eggs on about Christmas day. Put your orders in at the front office - max 6 birds per household please.

## News

It is a busy time for Year 12 students and teachers who are finalising their assignments and doing exam revision.

### Year 12 Exam Timetable

Date	9am	1:30pm
Monday 6th November	Mathematical Methods	General Maths
Tuesday 7th November		Chemistry
Wednesday 8th November		Essential Maths
Thursday 9th November	Physics	
Friday 10th November	Biology: e-exam in the drama room	
Monday 13th November		
Tuesday 14th November		
Wednesday 15th November	Specialist Maths	Nutrition: e-exam in the drama room

It's important that our Year 12 students continue to work hard and manage their time so that they have a well-balanced lifestyle in the final stages of schooling.

Year 11 students are also getting close to working on their final tasks to complete their Year 11 studies. There will be exams for the Maths and Science subjects on Thursday 23rd November and Friday 24th November. A program will be available soon.
