Newsletter

Principal News

It really is hard to believe that we are now in week 7! It feels like we have just started the term but reality says 2 weeks to go for the year!! Presentation Morning is this Friday (1st December) being held in the school gym starting at 9:20am. It's an opportunity for us to share many of the highlights we have had throughout the year, celebrate some individual successes and also say farewell to our Year 12's of 2023. It's an exciting time for them as they have their Graduation Evening at night and then they have officially finished their schooling. We are looking forward to sharing these last events with them before they move into the next chapter of their lives.

Swimming lessons are now in full swing this week (except yesterday and a bit of rain dampening the day!). We will move the missed lessons to Tuesday of Week 8. Thanks to Reagan Taheny and Gabby Preiss for being the instructors and delivering the lessons for our students to gain strokes and confidence in the water before summer begins. Thanks also to Lexi Hutchins for being the Lifeguard on duty.

Sporting events have been the order of the day this term. Congratulations to all the students who have represented CEP in SAPSASA recently. We have had Tennis and Cricket representatives who enjoyed the week,

Graduation Evening
Tuesday 5th December
R-6 Premier's Reading
Challenge Assembly
Thursday 7th December
Primary End of Year
Concert
Monday 11th December
Student Free Day

making new friends, improving their skills and most importantly having a lot of fun doing it! Even more amazingly we have had 2 students, Luke Ramsey and Brigit Taheny representing the State at the School Sport Australia Track and Field Championships in Tasmania. This is a wonderful achievement and has been achieved through a lot of training and commitment by these two athletes.

Congratulations to Brigit who won a bronze medal in the High Jump for her age group. Wow! 3rd in the whole of Australia!!

Congratulations to Luke Ramsey who recently was shortlisted in the Primary Individual category in the Advertiser and Department for Education School Sports Awards. A great achievement which he should be very proud of. I'm hearing that he has broken his own PB in multiple events this year on a number of occasions.

Our Year 4/5 students represented our school last week at Tumby Bay in the Eyre Peninsula Schools Space Challenge showcase. They have been using the Makers Empire program in Technologies to design, prototype and then 3D print a space technology to help either farmers or humans on a Mars base. Congratulations to the farmer's device team who won the Industry prize and trophy.

You can feel the tension starting to build in the R-6 classes recently. Teachers are starting to sound like 'stage mums' as the practice is ramping up for the Primary End of Year Concert – 'The Masked Dancer'. Gemma Leonard has been showing all the students and teachers the moves in readiness and the Year 6's are excited about hosting. The event will take place on the school oval on Thursday 7th December, starting at 10am. No pressure students, but I'm hearing it's going to be a packed audience! As always, if you have any queries throughout the year please Dojo, email or phone your class teacher, Callum or myself. We would prefer to know about something which is concerning you rather than not. This way we can do something about it and make the situation better for all involved.

Catch up soon,
Trev

Deputy Principal News

Student Free Day

A reminder to all parents and carers that Monday, December 11, 2023 is a student free day. This day is allocated for staff to plan and prepare for the 2024 school year.

New Enrolments for 2024

We are delighted with the positive growth in numbers for the 2024 school year. We have received many enquiries from families who are interested in joining our school community and are looking forward to welcoming our new students and providing them with a supportive and stimulating learning environment.

If you know anyone who is considering sending their children to Cleve in 2024, please encourage them to get in touch with us. We are happy to answer any questions they may have and arrange a tour of the school. This also helps us to ensure we have the appropriate staffing levels as the class numbers increase.

Year 10 Completion

As a reminder, Year 10 students will finish their school year at the end of next week (8/12). They are highly encouraged to seek workplace experience in Week 9, as this will provide them with valuable skills and insights into various careers and industries. Students can be provided with a statement clearing them for employment from the 11th of December onwards by asking at the Front Office.

Week 9 Activities

Students from Years 7 to 9 will be engaged in various activities in Week 9, including volunteering, cooking, clean-up, and sports competitions. These activities are designed to foster teamwork, creativity, social responsibility, and wellbeing among our students. They are also a great way to celebrate the end of the year and have some fun.

On Thursday, December 14th, the Years 6 to 9 students will join together for the traditional Beach Day. Please note that due to the current department concerns for ocean based activities, we will be taking extra precautions to ensure the safety and health of our students and staff.

Thanks for your ongoing support. I look forward to seeing you at Presentation Morning!
Callum

YEAR 3 COMMUNITY

KINDNESS

As part of the Year 3 Civic and Citizenship curriculum unit, the students have been learning about the importance of community involvement. They have identified various community members and how they have contributed to the local community. To further link with the curriculum, they identified ways they could contribute to the local community. In groups, they planned their community task and wrote an equipment list to see if they had to bring anything from home.

On Thursday, the 23rd of November, the Year 3 students set out excitedly in their groups to complete their community service task under the supervision of an adult. Some of the community service tasks they completed included helping Jock at school by raking the leaves, staff car window wash, cleaning businesses windows, sweeping the footpath in the main street, and delivering 'Thank You' cards to the businesses to thank them for their services. The students thoroughly enjoyed their time and felt the rewarding aspects of volunteering in their community. In addition, the businesses were very grateful for the students' kindness in the community.

Miss Woolford's Year 3 class.

SACE News

Our Year 12s completed their exams and are awaiting their results on December 18th from 8:30am on the Students Online website.

<https://apps.sace.sa.edu.au/students-online/login.do>

Our Year 11 students completed their exams last Thursday and Friday and have completed all assessment tasks.

Many of our Year 10 students have signed up for school-based apprenticeships for 2024 or into Certificate II or IIIs, which will give them a head-start into their chosen fields of interest. Many of them are getting excited about the opportunities that lay ahead in their chosen pathways.

There have been many job opportunities arise lately in a variety of fields, so check out the Dojo posts to find out more.

Looking forward to celebrating the achievements of our Year 6-12 students at our Presentation Morning which will be held this Friday 1st December at 9 am in the school gymnasium.
