# Principal News

Hope everyone got through the hot spell of weather over the Long Weekend OK. It was the first real taste of what should have happened during summer! Last Monday I was in Adelaide for the DfE Leaders Day, where all the Principals across the state come together once every year, to hear the directions which the department are heading in. It was pleasing to hear that the main focus for us was on how can we have the biggest impact on students and their learning. The Strategy for Public Education was reiterated, and we have been told to take stock of what we are doing really well and see if we can get even better at doing it. A catchcry was 'to not be the best, but to be the best at getting better'. This means that we want to continue to strive to improve in all that we do. As a school, for us this means that Leaders, Teachers, SSO's, Students and Parents all have a responsibility to support each other so that the students continue to grow as individuals, and as learners.

The school has worked extremely hard over the past few years to implement programs which are evidenced based which have a positive impact on student learning, upskilling teachers to improve their teaching pedagogies, supporting our SSOs to develop their skills to support students, and

Department for Education

working with the students to take ownership of their learning and being engaged in the process.

A reminder, please remember that the school yard is not supervised until 8:30am each day. Students therefore shouldn't be arriving before this time. If for some reason do get caught out occasionally, please contact the school to make arrangements for your child (we understand that sometimes things are unavoidable). Teachers before 8:30 am are busy preparing for the day and are not available to be make sure that students are safe in the school yard.

We have recently had quite a few students bringing toys to school in the primary section which has been creating some issues in the yard before school, at recess and lunch. If the item is a self-regulation tool then we are happy for it to come to school to support your child (but please discuss this with your child's teacher before sending it). Can you please support us in keeping all other toys at home to help avoid issues arising in the yard.

Don't forget that the Year 4-12 Sports Day is on Friday 15th March (this week). It looks like Graeme has done a good job on the weather front (at this stage!). We will have some shades and bench seats around the oval, but please remember that these are limited. We would encourage anyone who needs a seat to bring along their own. Next week on Thursday 21st March at 2:40pm, as part of the AFL Gather Round, the premierships cups of the AFL, AFLW, SANFL and the SANFLW are going to be on display at the school. There will be an opportunity for the students to ask questions and then get their photo taken with the premierships cups. Parents are welcome to join us for this opportunity.

Governing Council will be holding their AGM on Tuesday 26th March, 5:30pm at the Cleve Hotel. Please see more information included later in this newsletter.

As always, we would prefer for any concerns or issues you may have to be brought to our attention so we can address them as they arise. This is always a better outcome for all concerned.

## Deputy News

Hi everyone, I just wanted to start with a quick spruik for a new event at this year's Sports Day - the 4-way Tug of War! The level of teamwork, encouragement, and competition within each house at the trials was wonderful to watch and I am really looking forward to seeing this go to another level when they compete on Friday against the other houses. You can see it in action from 10:25 am - 10:50 am and again from 1 pm - 1:30 pm. It's certainly a busy time of year and it has been great to see the captains/vice captains for each house stepping up and setting a great example for the younger students. They have a big job to do to organise the teams, assist with running trials, giving additional opportunities to students who missed trials, nominating students for events, scheduling and running poster making and running house meetings - and all this while completing their own senior schooling. It is not easy and once again we are fortunate to have a great group of leaders representing for the school.

Next week, on Tuesday and Wednesday, we will be conducting our Parent-Teacher Interviews. This is a trial of narrowing the timeframe for the interviews and our goal is to streamline the process and make it more convenient for parents to meet with

all their child's teachers. We value your feedback during this period, as it will help us fine-tune the system for future interviews. Please make sure to get your bookings in soon, as they will close end of day this Friday.

Today marks the beginning of the NAPLAN assessments, with Year 3s, 5s, 7s and 9s completing the writing component today. We're thrilled to witness our students putting their best efforts into expressing their ideas and creativity. These assessments provide valuable insights into their progress and help us tailor our teaching methods to meet their individual needs. We encourage parents to engage in conversations with their children about their experiences during NAPLAN, it's an excellent opportunity to reinforce their confidence and celebrate their hard work.

We've been actively working on enhancing communication related to bus services. Our new Dojo classes have been set up for each bus run, allowing parents to receive quicker updates on changes in drivers, bus schedules, delays, and any other relevant information. Next week we'll be meeting with our dedicated bus drivers to familiarise them with the program. Once we have things in place, we would love to hear from a parent's perspective about how helpful you find these updates. Your insights will guide us in improving this service to better serve our school community.

# Year 4-12 Sports Day

Friday, 15th March is the Cleve Area School Year 4-12 Sports Day. The trials/practices were held last week and students who took part in these trials earned points for their house for Sports Day. We were very lucky with the excellent weather each morning. The trials/practices enjoyed a good level of student participation and interest and the behaviour and willingness to help out at all times by our senior students was very good.

A schedule of events is attached to this week's newsletter. Programmes will be shared on Facebook and Dojo with printed copies available to parents on Friday or from the front office from today (Wednesday, 13th March). There are a few changes to this year's program of events. Firstly, all students have the opportunity to participate in 100m Heats with the 8 fastest runners going through to a final. There will only be a Circle Gap and Football Relay for each age group rather than both events for boys and girls. Finally, we have introduced the 4 Way Tug-of-War for each group to be contested by 4-5 competitors from each House.

All students are encouraged to wear casual clothing in their house colours ~ remembering that this clothing should be suitable for competition and attendance at a school function. Students are required to wear shoes for all events and should also remember to protect themselves well from the sun with a broad brimmed hat and sunscreen applied often throughout the day.

Thank you to Bek Macgowan for coordinating the helper roster and parents who offered to assist with official duties on the day. Bek will share the final details leading up to Friday via Messenger.

If the weather is not suitable, then Sports Day will be postponed until Week 8.

Students need to be at school at the normal time and assemble on the edge of the oval at 8:50am for home group. The day will be opened at 9:00 am by Alex Mason with the first events scheduled to commence at 9.15 am.

There will not be an official lunch break, however, the SRC will operate a stall at the oval selling drinks and some snack foods. The Parents and Friends will be selling 'Lamb Burgers' and 'Sausages in Bread' whilst the Year 9 Canberra Trip fundraising committee will have Snow Cones available to purchase.

House meetings were held this morning (Wednesday) with the aim of finalising teams at this meeting. Teams are chosen largely on performance at the trials/practices and every effort is made by House Captains, Vice Captains and supervising teachers to ensure all students participate in at least three events. Primary students will record their events in diaries this week.

The 1500m races were also held this morning from 9.30 am. (weather permitting).

Students who are unable to participate in the school Sports Day for medical or personal reasons are able to undertake supervised study in the library or assist officials with their duties. A letter outlining the reasons for this must be forwarded to the Principal for all students needing to take up this offer.

At the end of the day, students will be dismissed from the oval at 3:10pm and buses depart at the normal time and place. Parents can choose to take their children at the end of the Sports Day, but please, if applicable, let class teachers and the bus drivers know.

Parents and interested community members are very welcome at the Sports Day.  
Graeme Byrnes, Physical Education Teacher

# AG NEWS

## Staffing

- Hi everyone! Our first Ag News for the year has been a long time coming, but we have been busy... At the beginning of the year, we were pleased to welcome **Genevieve Wright** to the school teaching Yr 7 - 12 Ag. **Feebi Masters** has returned part-time from maternity leave and is teaching 12 Ag Prac. **John Solly** is also part-time, teaching 11 Ag Prac and is continuing as Ag Leader.
- **Tony Zwar** continues as our Sims Farm Manager for his **10th** year. His role is to support Ag student learning with all activities at Sims Farm and back at school and he supports the Adelaide Show teams. Tony is working towards his retirement next year.

## 7 - 10 Ag

with Miss Wright

### Year 7

- Exploring farm safety
- Passion Projects - The passion projects range from plant growth trials, making butter, producing a worm farm, creating an agricultural game to creating a comic.

### Year 9

- Learning about horticultural principles that are applied to broad-acre farming with their vegetable gardens in the wicking beds. Thank you to Kerry and Jock for your work getting them ready for the kids to use so quickly.

### Year 10

- Examined risks on farms.
- We have visited Sims Farm, learning about cropping decisions, and shearing the merino wethers.
- Exploring wool production in Australia.

## A word from Miss Wright

What an exciting time I am having teaching Ag at Cleve Area School. I love the enthusiasm that the students are bringing to the lessons and their application when exploring this ever changing industry. Growing up on a sheep station has influenced a passion in the ag industry that I love to share with my classes. I look forward to continuing to work with the ag students and their families over the course of the year.

# 11/12 Ag St

with Miss Wright

## Year 11

- Explored farm biosecurity.

## Year 12

- Planning and starting their production investigation, which is their management of one production enterprise.
- Year 12 Ag EP Schools Hub Workshop with Sue Pratt.

## 11/12 combined

- Livestock management principles.

# Show Goats

Lily Hutchins (Year 11) has taken on organisation and leadership of the Goat Adelaide Show team this year and is liaising with Andrew Smith and Mick Evans (or goats breeders) She and Tony Zwar have sown Kraken Barley for the show animals to graze beside the sheep yards at school.

The Goats will arrive at the beginning of term 2.

# 11 & 12 Ag Prac

with Mr Solly & Mrs Masters

## Year 11 Ag Prac

- Met with Giles Kearsley (Agronomist - Nutrien Ag, Cleve) and planned Sims Farm's cropping for 2024 and beyond.
- Earning Sims Farm vehicle & Machinery "Licenses"
- Attended SARDI Farmer update in Cowell last week (6th March)
- Intro into AgWorld with Ryan Siebert
- Pregnancy Scanning with Amy Kerley on Wednesday, March 13

## Year 12 Ag Prac

- EID ear tagging and livestock management
- Year 12 Hub Workshop with Sue Pratt
- Work, Health, Safety assignment

# Merino Wethers

The Merino Wethers have arrived and have been shorn as per the Adelaide show requirements thanks to Adam Crosby & Malcolm Peters who turned back the clock and stretched out their hamstrings. They are now living at school and year 10s will be learning more about sheep production as they work with them in the lead up to the Adelaide Show in September.

Thank you to **Glenville Merino & Poll Merino Stud** for helping us to source wethers for the 2024 program.

Do you have any Feed Troughing spare. We need about 6m of troughing for the school shearing shed - that we can mount to rails or a wall. Please contact the school.

# OUR STRATEGY FOR PUBLIC EDUCATION

## CHILDREN AND STUDENTS LEARNING AND THRIVING

### OUR PURPOSE

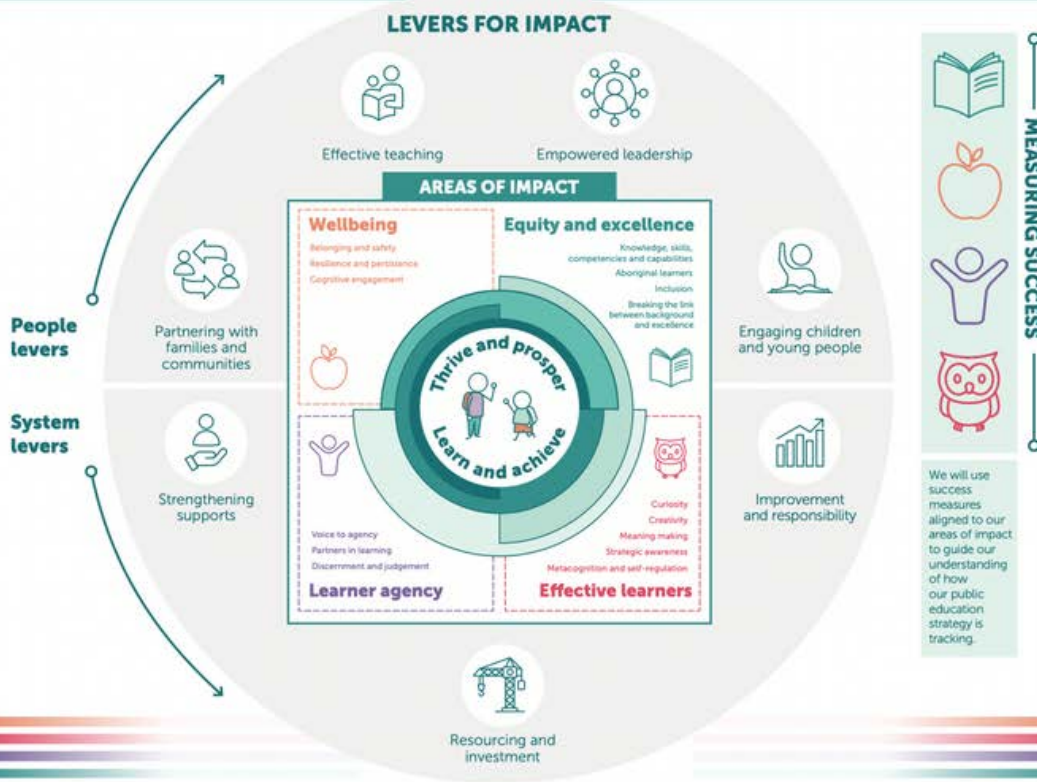

Public education is for every child and young person in every community across our state.

Educators and staff work in partnership with families and communities to nurture, develop and empower all South Australian children and young people with the knowledge, skills and capabilities they need to become fulfilled individuals, active, compassionate citizens and lifelong learners.

Our preschools and schools are the heart of local communities. They are safe, inclusive, and collaborative – a place where every child and young person is encouraged to contribute, develops positive relationships, has a say in their learning, and where their needs, interests and cultures are recognised and supported.

We are relentless in our ambition for all children and young people to enter the world beyond the classroom ready to learn and to create opportunities to live a satisfying and fulfilling life of their choosing.

When our children and young people thrive so does South Australia.
